A Hustler’s Proverbs

I sit down today, and put this pen to this paper in honor of every hustler who has been taught to think that they are out of God’s reach, due to the force fed ideologies of man, which have enslaved the minds of hustlers, by way of creating a false moral code of right and wrong, which hampers the creative mind of a hustler, by way of societies force fed propagated conscience, which enslaved the Israelites in the book of Exodus by the Egyptians.

Now there arose up a new king over Egypt, which knew not Joseph.

And he said unto his people, Behold the people of the children of Israel are more and mightier than we.

Come let us deal wisely with them.

Exodus 1:9-10

It clearly states that the Israelites were more and mightier than the Egyptians, which is a clear indication that the Egyptians didn’t conquer the Israelites physically, so it had to be mentally.

As they say history always repeats itself, and it has by way of false moral indoctrinations that weakens the mind of a hustler and gives their oppressors the advantage as designed, but through this spiritual

I SIT IN A CELL WRITING THIS BOOK, OBVIOUSLY I WAS NOT EQUIPED WITH THE KNOWLEDGE TO WIN AT THE GAME I WAS PLAYING, BUT OUT OF THE WILDERNESS OF CAPTIVITY COMES FORTH THE JEWELS TO WIN, THROUGH LISTENING TO OTHER EN-MATES, STUDYING MY FOOTPRINTS, AND THE DEVILE INCENTIVE TO RECALIBRATE THE BOOK OF PROVERBS THROUGH THE EYES OF A HUSTLER, GOD HAS MADE ME A STREET PROPHET. SO I CAN REACH THE HUSTLERS, AND IN ORDER TO DO THIS I MUST SPEAK THEIR LANGUAGE, OUR LANGUAGE

WHEN THE DAY OF PENTECOST ARRIVED, THEY WERE ALL TOGETHER IN ONE PLACE .

AND SUDDENLY THERE CAME FROM HEAVEN A SOUND LIKE A MIGHTY RUSHING WIND, AND IT FELLED THE ENTIRE HOUSE WHERE THEY WERE SITTING .

AND BEGAN TO SPEAK IN OTHER TONGUES AS THE GHOST GAVE THEM UTTERANCE. 
NOW THERE WERE DWELLERS IN JERUSALEM JEWS, 
DEVOIT MEN OF EVERY NATION UNDER HEAVEN. 
AND AT THIS SOUND THE MULTITUDE CAME TOGETHER 
AND THEY WERE BEREAVED, BECAUSE EACH ONE WAS HEARD TO SPEAK IN HIS OWN LANGUAGE.

So in this knowledge, I've come to realize that I got to talk that street shit to reach my street negro's. So from this point on every street negro will hear me loud and clear!

This book has been on my heart for the last past two years, but I constantly put it off because of other positive projects I'm working on, but fuck that! How would I look if I turned my back on the streets I come from, to please those who careo-less about me when I was one of you. I got love for every nigga out there dowin what they got to do! Fight'n for they life everyday like this pakistan on american soil. Especially all my negroes dowin it to preserve there families life.

Like oprah said "times up!" I'm gone shed light on how we gotten beat through modern day pimpin. That's so shrewdly sequecitive that we pass it on to our klos.

Behold, I was shapen in iniquity;
And in sin did my mother conceive me.

Psalm 51:5 KJV

One day I was on a visit with my son and I asked him what kind of car he wanted, and he said a rental! Needless to say I was crushed! The Pimp already had his hand on my son, and he was 9 years old then. But after close examination I realized that I was the cause. I shaped him to my Iniquity! He watched me slide around the city in 2-3 cars a week trying to duck the people.

The point I'm making is that we are perpetuating our demise from generation-to-generation, and it's time we figure this out so we can win and enjoy the fruits of our labor, and build up our family, cause a major component of the game is you can't get rich, and make another muthafucka rich! It ain't done work!

Since I been in prison I've learned that if you can see it you can beat it, so its obvious most hustla's can't see what's defeating them, so I'm going to shed light on it.

We as hustla's have been molded from the womb with the subliminal indoctrinations of violence, drugs, money and every other muthafucka negative meme-state that has become the moral fabric that has woven the hustlers.

Culture together, which derives from what we see and hear in our environment, and further propagated in the music we listen to, too the shows on T.V. we watch.

A lot of people don’t realize the dynamics of the mind. The best example I can give to you, is the same one I received from James Allen. He said the mind is like fertile soil in a garden and everything we see and hear are like seed that are planted in it, which will always bring forth its fruit rather good, or bad. Through this understanding, I’m going to illustrate to all my niggas how the Pencil’s work. His propaganda game on our fertile minds.

Like I said before, my whole purpose of this book is to give all the niggas in the streets the game so he can understand it, the best way for me to do it is break it down through the Pencil game so you can see how we been going out like hoes.

A Pencil say shit so slick, that he sources a woman to give him her money. So the powers that be pop they slick shit through T.V. and music, but the most explorable is music, this the shit they pop through music. Be a real nigger. Kill, fuck bitches, get money. Introduction

You'd to wake up the dead and the sleep hustla's out there gettin' quietly pimped for the money we are literally risking our lives for.

A pimp ain't shit without a hoe, but a hoe can get money without a pimp, so if we done do it, do it for yo self, so that you can graduate the streets.

I ain't bust to keep preachin' at you niggers, I'm gone get to it!

This book will be the colleration of the Book of Proverbs in a hustler's perspective so that we as hustlers can also benefit from the wisest man in the world's wisdom.

The Source

The Proverbs of Solomon the son of David, king of Israel.

To know wisdom and instruction; to perceive the words of understanding.

To receive the instruction of wisdom, justice, and judgement, and equity;

To give subtlety to the simple, to the young man knowledge and discretion.

Proverbs 1:1-4

(v1) The Proverbs of Solomon:

As a hustla we should know that information is only as as its source. It's vital that you know who and were the game we will be coming from.

In the Bible Solomon is said to be the wisest man to ever walk the earth, and there was said to be no man like him, nor will there be a man wiser than him to ever come after him.

In the night DIO (God) appear unto Solomon, and said unto him, ask what I shall give thee.
And Solomon said to God, Thou hast showed great mercy unto David my father, and hast made me reign in his stead.

Now, O Lord God, let thy promise unto David my father be established: for thou hast made me king over a people like the dust of the earth in multitude.

Give me wisdom and knowledge that I may go out and come in before this people: for who can judge this thy people so great.

And God said to Solomon, because this was in thine heart, and thou hast not asked riches, wealth, or honor, nor the life of thine enemies, neither hast asked long life; but hast asked wisdom and knowledge for thyself, that thou mayest judge my people, over whom I have made thee king:

Wisdom and knowledge is granted unto thee; and I will give thee riches, and wealth, and honor, such as none of the kings have had that have been before thee, neither shall there any after thee have the like.

2 Chronicles 1: 7-12 KJV

Tenfold of it! Solomon's wisdom will immediately show up in our profits. It's a known fact that wealth is the crown of wisdom, and you will always see a wise man's crown, with this being said, let's look at Solomon's wisdom.

Now the weight of gold that came to Solomon in one year was six hundred and sixty-six talents of gold.

2 Chronicles 9:13 KJV

At the time of this writing, I'm locked down in the SHJ (hole)! Which means I don't have access to my Bible concordance that breaks down everything in the Bible such as how much talents are. I do remember doing the math on Solomon's income, and it was over a billion dollars a year.

This is a substantial amount of money especially in an era where there were no phone's, computers, car's, or any other modern-day tool's to expedite business. Every nigga got to respect Solomon's hustle hand. His crown consisted of a billion dollars a year. Jay-Z is Hip-Hop's Hustler of the Year and he ain't reached a billion yet.

When you look in a book store, you'll see a self-help book for everything under the sun, but insight for a hustla, we got to find our own help and salvation, cause when you look at the score, you'll clearly see it's more hustla's losin' than there are winnin'. It's obvious we're playin' a losing game up until this point, not due to me, it's due to Solomon. I just was given the ability to be able to draw from his wisdom so that it will be beneficial to the hustla's community!

THE POWER OF HEARING

A WISE MAN WILL HEAR, AND WILL INCREASE LEARNING;
AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSEL

PROVERBS 1: 5 KJV

(A) A WISE MAN WILL HEAR;

WHAT MAKES A MAN WISE IS HIS ABILITY TO HEAR, SO WE AS HUSTLERS MUST LEARN TO STOP TALKING AND JUST LISTEN. TO STOP LISTENING IS TO STOP LEARNING, AND TO STOP LEARNING IS TO BECOME STAGNANT, AND STAGNATION IS THE BEGINNING OF DEATH!

LISTENING IS ONE OF THE WAYS THAT OUR EDUCATION OCCURS. THIS IS SOMETHING EVERY HUSTLER MUST EXCEPT, BECAUSE IGNORANCE DOES NOT MAKE ANYONE EXEMPT FROM THE UNDEViating LAWS OF NATURE. JUST AS JUMPING FROM A SKY SCRAPER THROUGH IGNORANCE DOES NOT MAKE THEM EXEMPT FROM THE LAW OF GRAVITY! WITH THIS BEING SAID, EVERYTHING YOU HEAR IS CONVERTED INTO KNOWLEDGE RATHER IT'S SOME FRIVOLOUS SHIT, OR SERIOUS FOOD FOR THOUGHT.

(2) and will increase learning.

Hearing increased learning by listening which is taking in information for your mind to process and apply.

I'm going to give you some deep ass game! Word are nothing more than the verbal affirmation of thought. Meaning every word comes from a thought, and once you learn to listen to hear people's thought you will get a read on their character as well as their needs and desires, and this alone will give a true hustler direction.

It's a saying that goes like this: A real hustler what want ask you what you want you'll tell him!
A HUSTLER'S PROVERBS

THE POWER OF HEARING

(G) AND A MAN OF UNDERSTANDING SHALL ATTAIN
UNTO WISE COUNSEL

As I mentioned before, everything that we hear
add's to our education, and this education ultimately
shapes our mind, and directs our paths. Once we as
hustlers embrace this we can begin to govern our
mind, and begin to take control of our actions by
consciously putting our feet down the path's of
life we as hustler intentionally choose, through wea-
ding the garden of our mind, by mentioning what we
listen too!

Before I go any further I'm going to give you
an example to show hustler how words emperganate
the mind and gives birth to our actions.

In the streets we got codes that we live by
such as never let a nigga violate, or play us, and
if they do fuck'em around these word of retaliati-
on have planted, and water so much in our mind
that when a nigga say, or do the wrong thing to
us we carry out our pre-programed response of
violence as if it was a reflex.

I'm going to show you how I let a nigga pro-
gram my mind so you can see it.

THE POWER OF HEARING

I met a guy from my city while I was in the federal holding facility waiting to get sentenced, and he was back on violation, but he'd been down 17 years, which he spent in the U.S.P. These are the most violent prisons in the Fed's, and he was given me the game on what goes on, and how I got to carry it. To say the least I got a crazy history of violence since I been in the Fed's.

I can honestly admit that I let this man shape my thoughts and direct me to a path of violence that I now regret!

As a man who understands this ability to be influenced by the knowledge conveyed through words we must wisely choose the conversations we indulge in. If you can't steer the conversation, to shut that's worth learning to excuse yourself, or politely express this.

The Foundation of Knowledge

The fear of the Lord is the beginning of knowledge,
but fools despise wisdom and instruction.

Proverbs 1:7 KJV

(A) The fear of the Lord is the beginning of knowledge:

I know you probably think I'm about to holla at you
with some far off Christian shit, but this is really
about to put you all the way in the game!

In order to get the game I got to show you
what the fuck it is to fear the Lord. To fear the
Lord is to follow the ten commandments.

That thou mightest fear the Lord thy
God to keep all his statues and his com-
mmandments, which I command thee,

To take Yahweh in vain is to deny, or take for granted the ability to think with creative power. I read in Robert Collier's book the "secret of the ages": that a man from the neck down is worth two dollars a day, but a man who employs his mind can write his own check! If you out there f*cked up it's cause you miss maintaining the power of their thoughts and in return has become a servant of another creative thought power!

As easy as it sounds it's hard, cause I know how easy it is to get caught up in a serious para chase. Muthafucka forget to eat, sleep, let alone take a day off, but this day is not to inconvenience you it's to refresh, and recharge your menu. Plus, this day can also be used to spend some quality time with the family, cause we don't do much of this as we rippen an runnen.

Remember you got to cut your T.V. computer and all other electrical appliances off or you well burn it out. Be mindful the menu conduct's electricity, and it can turn out as well, so find your sabbath!

The 6th Commandment

Thou Shalt Not Kill

Deuteronomy 5:17 KJV

By understanding Thou Shalt Not Kill is really addressing the root of all actions, our thoughts. It also becomes extremely clear that the rest of these commandments are to teach every hustler how to direct these thoughts so that we can get the best out of them.

The root of every action, anger, which is nothing but a emotion! These emotions of anger within us is where we as hustlers must start.

I know this sound like some straight up sucka shit, and we will get ate alive in the environment we come from if we cast our aggressive side to the side, but that shit is like glue in our mental mortar of creativity. I was always told you can’t get money, and beef at the same time, and I see the truth to this saying because my anger derails me.

Our thought's are the deciding factor to our success. We can never afford to relinquish control of our mind by way of emotion. Because that's a weakness of ours that's being exploited right now with pre-programmed ideologies infused into the music we listen to. The mind of our culture to believe we're on the right track. Deuteronomy 5:21 KJV

To desire is to lust in your mind, to covet is to want another neighbor's shit. As hustler's you will see that coveting and desiring someone else's shit is the gateway to all the other destructive thoughts and emotions in the commandments. To covet, or desire someone else money, jewelry, or whatever else is the same of the very nature of you, because you covet another neighbor's shit cause you cant get it on your own. If so you would simply admire his shit, then we cop you one. It's this inability to do this that causes emotions of jealousy and envy which turns to hate, and anger, which are the seed of all juuda, and violence!

The Summary of the Commandments

1st Commandment - God is not in the sky, or anywhere outside of us. The spirit of God is the consciousness of our thought's within us. The nature of God is to create, so we as Hustler's must take responsibility for our own thought's and begin intelligently directing them.

This knowledge of our thoughts is powerful, and can put us Hustler's ahead, due to the fact we will become the master's of our fate with the knowledge to shape our live's, and not submit to chance, or luck, or the other bullsh*t they've been teaching us.

2nd Commandment - Thought is the supreme entity. Thought is the creator of all materialistic objects, and should never be worshipped! Thought becomes enslaved when you begin to place value on others creation to the point your not creating.

The day God bowed down to His creation is the day God relinquishes His supreme power.

Your main concern at this point is to strengthen yourself in your ability, and weed out all the weeds that have been planted in your mind to cloud your vision, to keep your mind enslaved.

10th Commandment - To desire, or covet others possessions is the root of most of the weak thoughts. Hustler's think so with this being said, I think that they can be avoided by getting a grip on this one issue! Learn to admire at worst, but never covet. To covet is to submit oneself to the weakest of weak thoughts. It's the inability to create the same amount, or even greater success.

I'm gonna give you some examples of my own chastening. One of my very first growing pains happened as I first got in the game, when I was balanced a eight ball. I would spend money as soon as I made it, buyin' weed and shit like that, countin' my product as money made, but nothing never goes as planned in the game so, I'll be done spent so much I aint even got what I need to re-up.

Both times I caught my drug cases was because I got pulled over without having a license. Me and you I said both! If I would of took health to the first one went and got my L's I could've saved myself three year's!

Even tho I used frivolous shit. The message should be clear the painful circumstance in our life is a chastening of some sort, and this pain is the indication that we are doing something wrong! Know this, when, and only when you correct your thoughts, actions, and figure out the source of this pain can you graduate from it!

Trust me, you'll know when this happens because you'll look up and you'll be without chastening in that area, but there will always be chastening because just as we graduate grade-to-grade, you'll have to graduate challenge after challenge. THE HEART OF A HUSTLER

Two of a hustler’s greatest flaws right now is thinking about females, money, and all the shit we can do, and buy with it!

I suggest this should be our starting point. Catch your thoughts every time they stray to one of the above thoughts and direct them to something more constructive. As far as figuring out if your creative idea can actually be converted into a possible plan, which can only happen by way of learning, try to see it like this. Most hustlers tried it for the money, so to not think about the money sounds like a conflict of interest, but if you really but the money, learn a different way to get it should, and well be of interest to you!

If all the issues of your life will come from our thoughts it might be dire to control and create the type of thoughts that you want, and stop allowing society to control and create the thoughts that will have you create the circumstances of an economically enslaved hustler.

This here is another bug one to me, due to the shit I see in prison alone, which is seckening!

Remember when Don King and Malcolm X came to prison learned every word in the dictionary? Negro's use to come to prison and build their self up mentally and physically, but today all Negro's do to sit around watching e-news, love hip hop, urbaninct, and every other f*cked reality show, to nor the state of their reality, to tune into anothers!

When you look at the psychological aspect of this, it first had to be a demand for this type of shit, for someone to supply it!

A hustler seen how everybody is in everybody else's business, and how people argue about the details of another hustha-fucka's life, which is most likely successful, and there you have it!

As hustler we got to let that shit go, if you aint got a angle to learnin intimate shit about these people, what's the point?

The Path of a Hustler

What's more important than you? I hope not them, shit they don't even know you!

I wonder out of all 10,000 thoughts a day how many of them are about others?

Life is like a chess game 90% thought 10% action, and like chess every move we make will have a cause and effect response that will reward or hurt you, so like the chess game you got to keep your head down, and focus on the board which is our thoughts, and weed out the frivolous one's so yo next move will always be your best move.

This is my second book right, and this is what I do instead of all the men's other people's business, and I ain't perfect, nor mastered the laws of thought, but in this little bit of growth I've had with myself through following Solomon's lead I see how much more productive I am, and I aim to continue to build a bubble around my head were the only thing I'll think about is me, and the shit that pertains to me!

Kem Kardashians gettin robbed in Paris don't pertain to me, mutla-fucks get robbed everyday "3" Cameron Voice!

IT AIN'T REALLY TO MUCH I CAN ADD TO THIS, IT'S PRETTY MUCH SELF EXPLANATORY.

REVEALING THESE HOE’S

Peep game, every hustler need a queen it’s just the nature of the beast. The woman was designed to replace your mom, and if you had a mom you’d know a man’s mom is his mental, and emotional protector as well as his nurturer.

Therefore shall a man leave his father, and mother, and shall cleave unto his wife, and they shall be one flesh.

(GENESIS 2:24 KJV)

We as hustler’s must except it’s in our nature to succumb to, and trust our women, so we got to be wise in our choosing of women. Once you see the sign’s of a hoe you got to be wise! I know yall nigga’s ain’t none stop slavin these hoe’s off bat so I’m gone give you somethin’ a nigga gave me!

With time come’s feelings, fuck a hoe, and get the fuck on, cause you a fuck around and get caught up, and the next thing you know yall got kids to together, and she sitting next to you wet another nigga’s dick on her breath.

IT WAS NO POINT IN TRYNA TEACH ME SHT, CAUSE ALL I WAS WOR TO DO IS PUT TOGETHER THE MOST UNEDUCATED INTELLECTUAL RESPONSE I COULD, AND WOULD BE SALTY AS F@*K WHEN SOMEBODY PROVED ME WRONG, AND PUT MY IGNORANCE ON DISPLAY, AND INSTEAD OF DEALING WITH THE FLAWS WITHIN MYSELF, IT WAS EASIER TO HATE THE NIGGA THAT HELD UP THE MIRROR TO MY IGNORANCE.

I've seen a lot of Necca's wit Camelton game. They blend in like a muthafucka, so my best advice is to keep yo game tight to the chest, and you will acquire more game faster by just being quite!

I understand that humans are social beings, and anti-socialism is not normal, but it might be more efficient for a hustler, because for a hustler to fully reach his prime, it's going to take a lot of mental cultivation, which will occur in the silence of our mind!

We can't help nobody until we help ourself, so apply the knowledge you have and Necca's will come to you in humility, humbly seeking game!

A Hustler's Wisdom and Understanding

The fear of the LORD is the beginning of wisdom;
and the knowledge of the Holy
is understanding.

Proverbs 9:10 KJV

(a) The fear of the LORD is the beginning of
wisdom.

This is basically a reiteration of a hustler's
foundational commandments. The reason I do it, is
because it tells hustler's that the knowledge contai-
ned in the commandment's is the true knowledge that
is the gateway to wisdom if we as hustler's well
learn to apply them.

My Jesus's f**k what you hero let everybo-
dy else believe all that mental slave sh*t, and let

of wisdom guide us!

Hustler got a lot of shit stacked against them that they see and don't see. The last thing a hustler needs is the conflicting vision of God and spirit which distance's hustler's from the power that lies within himself.

To except this view of God and one thought is touck the blinders from our eyes, and begin to see life with a clarity to free them from mental bondage, and utilise the power to influence thought, and instead of your mind being directed and controlled by invisible forces that most don't understand, you will become one of the elite.
