"Hello", this is I, Willie Palmer. This is my self made art book. "Doing Art For A Hobby!"

First of all let me give thanks to our Almighty God in heaven and the son Lord Jesus Christ. For this wonderful gifted talent to draw.

Let me also give thanks to Safe Streets Arts Foundation as the founder and Director Dennis Sabin. This program give me a chance to express my self and let the world see my interest as art is a hobby to me.

Just as well art is a hobby it can be a career to earn money for a living. I thank you very much for y'all support. If you have any comment you can always contact me on VA.DOC, Website, or contact at (Safe Streets Arts Foundation) WWW. Prisons Foundation. org

Thank you from: Willie Palmer
