A close female friend named Samantha told me there would be an all nude party on the 4th of July if I was interested. I told her "Hell yes!" Samantha told me the party would be in a 10 bedroom mansion where the rules were there were no rules except you have to be single. You were free to talk to whoever because in order to gain admission you had to be single and show documentation proof that you were HIV-negative. You could have sex anywhere in the mansion. Fighting would get you kicked out immediately. Samantha told me they were expecting over 300 people (mostly women... beautiful I thought). Samantha had a crush on me every since high school but I never took her serious. She had an average body nice size, great conversation which is why we stayed in contact after high school but just as friends. She told me the party would start at 3:00 p.m. and end the next day.
When Samantha came to get me she had a big coat on and told me she was butt ass naked. I got undressed and put a coat on, which we would both take off once we got to the party.

"I have so much to talk to you about tonight," (she said smacking her lips)

"I have something real important to talk to you about." (she said)

"Alright, we'll see; this night is going to be interesting." (I say)

"It definitely is." (she says, laughing) When we arrive at the mansion it seems like over 300 people inside. When we get to the front door, we show proof that we're HIV-negative and the bouncer takes our coats and allows us in. Samantha immediately looks down at my dick, which had become aroused and hard at the site of all the beautiful women and big juicy female butt cheeks that were everywhere. I'm in heaven, I thought.
of the 300 or more people in the mansion
only about 50 were men
"Let's go somewhere private" (she says)
She goes to a corner where some sofas are and
begins to talk
Samantha was thicker than I thought, her breasts
were small and saggy but she had some nice
hips and clean shaved pussy
While we're talking Samantha says "This place is
crazy. Look over-he's fucking her in the ass
doggy style, that's funny"
Everywhere we looked we either saw people kissing
or having sex
"I brought you here because I'm at the point in
my life where I'm looking for a real man, a
real relationship. I want you to be" (she says)
"Okay I find you attractive and you're a great person
but I'm not ready to give you an answer yet." Saman-
tha then jumps up on my lap, hugs me
and says "I'm making you mine tonight!"
She kisses me and says "Let me ride that"
looking down at my dick.
I lean back and allow her to jump on my
dick and ride it while I wiggle her butt cheeks.
She starts cuming and moaning like crazy for the 30 minutes she rode my dick. I was feeling the experience to, as Samantha definitely knew what she was doing. After she got off my dick she says "that was awesome."

"Let go clean off daddy" (she says)

"Daddy, huh" (I say laughing)

"That's right I'm making you my man tonight" (she says)

"Your off to a good start" (I say)

While we're walking to the bathroom, I see a beautiful woman in sitting in the corner by herself just looking around, then our eyes meet, and she starts smiling and directing me to come here.

I smile, but then Samantha comes out of the bathroom and jumps on me and I carry her back over to the sofa and we start talking. While we're talking I look past Samantha and I see the same beautiful woman that I had seen earlier walking to the bathroom; she had to be 5'8 about 170 pounds of all woman. Her pussy was shaved and she had the biggest, juiciest ass I had seen in a while and her breast were huge.
I knew I had to have her, at least a sample.

I told Samantha that I needed to use the bathroom real quick.

While I was walking to the bathroom I glanced back to see if Samantha was monitoring me. She wasn't.

As I enter the bathroom and I introduce myself to the beautiful woman I had seen earlier.

She said her name was Jessica, she was an accountant and she was looking for a map.

"Who's that girl you're with?" (she says)

"A friend of mine." (I say)

"Well tell her she has 2 hours to find another man." (she says)

"Damn like that." (I say, laughing)

"Like that." (she says)

I return to the sofa and continue my conversation with Samantha.
"We known each other since high school give me a chance, give us a chance" (she says) on numerous occasions people came up to us and said "good luck you too, you make a good couple.

All the while in the corner of my eye and I still see Jessica by herself in the corner with a comfortable swagger about herself. Every time a man approached her she would waive them off.

In the meantime pure sex was in the air. Woman were running all over the mansion with cum running down their legs being chased by horny men and in some cases horny women while we're talking I see Jessica gets up and walks in our direction and stops in front of me then puts her big juicy butt cheeks up and down in my face and starts twerking her butt cheeks up and down.

Jessica then tells Samantha "listen get your ass out of here, he's taken".

Wow...I say to myself...it's about to get crazy.
Samantha is furious
Samantha looks at me and says "Excuse us for a minute baby"
"Will ya cut it out" (I say laughing)
"I have to teach somebody some manners" (Samantha says)
All the while Jessica is still twerking
Her butt cheeks then presses my face in between her butt cheeks
"Get your ass away from my man" (Jessica says very loudly)
This is the last straw for Samantha
"Excuse us baby" (Samantha says shouting)
I see a crowd of people in the corner
Looking at the whole situation laughing saying she must really want her man that's crazy
As I get up to give Jessica and Samantha some privacy I was horny as hell from Jessica's show
I go to sit down on a sofa in order to give the ladies space, but I could still hear their conversation
"Listen bitch that was real disrespectful" (Samantha says)
"You call me bitch one more time I'm kick your ass" (Jessica says)
"Not if I kick yours first" (Samantha says)

Samantha tries to punch Jessica but misses.

Jessica then punches Samantha directly in the middle of the face causing her to fall.

Jessica then gets on top of Samantha and continues to punch her.

I run to the scene and get Jessica off Samantha.

"Stay away from my man bitch" (Jessica says)

I look at the crowd in the corner and hear a bunch of "Wow?"

"Will you grow up Jessica?" (I say)

Samantha walks towards me apparently not wanting anymore of Jessica and says "Let's get out of here."

"I'm not going to tell you this again if you touch my man again I'm going to break every bone in your body" (Jessica says)

Jessica then takes me by the arm and guides me to the same sofa that me and Samantha occupied for most of the night.

Samantha then says "No" and starts crying.

Jessica walks up to Samantha and slaps her.

Samantha doesn't do anything but looks at me damn toughed up Samantha I think to myself.
Me and Jessica have a long 2 hour conversation while she sits on my lap caressing and squeezing her butt cheeks the whole time producing multiple orgasms from her. I look past Jessica for a second and see Samantha sitting in the corner at the same spot Jessica was at earlier. Samantha was by herself and crying for the next couple of hours several women come up to me and Jessica and say "Go get him girl" and "That was so funny" and "I have never seen anything like it in my life" which drew a laugh from all of us. For the next hour me and Jessica laugh, joke, kiss, and have a good old time. I see Jessica turn around then she says "I just saw that bitch I'm about to go kick her ass" (she says)
"Will you stop it" (I say laughing)

Jessica walks up to Samantha and says

"Did you just look at my map bitch (Jessica says)

"I'm looking out the window" (Samantha says)

"That's right you know better" (Jessica says)

A crowd of women nearby are watching and laughing hysterically.

"If I catch you looking at my map again I'm slap the shit out out of you" (Jessica says)

"I'm looking out the window" (Samantha says)

"Don't fucking lie to me" (Jessica says)

Jessica then throws Samantha to the ground

Me and a few women walk over to the scene

Jessica is sitting on Samantha's face and then cums in her mouth and all over her face.

"Oh God, I say" (Laughing I say)

"What are you doing" (I say)

All the females watching start laughing.

"Eat my pussy" (Jessica says)

Samantha starts eating Jessica's pussy while Jessica continues to cum all over her face.
Before Jessica gets up she bends over and makes Samantha eat her ass then farts in her face while holding her, Samantha, face in between her butt cheeks.

Not any fart but a wet gigantic fart that could be heard all over the big room.

Everyone is laughing uncontrollable.

Jessica then gets up and says, "Where's my man at?"

A few of the females say "He's over there."

Jessica runs into my arms while I joggle her butt cheeks and guide her to the sofa.

Jessica then gets on her knees and starts sucking my dick until I cum all over her face.

Jessica then turns to Samantha and says, "This is my man bitch." (Jessica says)

I turn Jessica on her back and enter her with my big juicy dick, switching numerous positions while simultaneously spanking her on the butt, while Jessica moans and cum like crazy.

"You go act right" (I say)

"Yes Daddy Yes" (Jessica say)
Everybody in the room is watching including Samantha.

After a hour I put Jessica on my lap while we kiss passionately.

I look past Jessica and see Samantha having a conversation with another female.

"EAT ME" (Jessica says)

I allow Jessica to sit on me with all that ass and eat her producing multiple orgasms and then I eat her asshole dry producing multiple wet farts that I thought would never end.

After Jessica allows me to get up we cuddle on the couch.

Jessica turns around and starts laughing.

"WHATS UP BABY" (I say)

"Look at that lame bitch she's over kissing another girl, I made that bitch give up" (Jessica says)

"THATS CRAZY" (I say)
Look at the clock. It's 5:00 a.m., almost time for the party to end.

What a ride it's been, I thought. Right before me and Jessica get ready to leave, Samantha walks by holding hands with another woman.

"That's right, leave the men for me, you fucking dyke." (Jessica says to Samantha.)

Samantha walks out the mansion hand to hand with another woman.

Me and Jessica walk out the mansion. The stars of the show.

We eventually got married with kids.

Cum once, cum all.
THE BEACH PARTY

At the end of summer a good friend of mine, Anna, tells me her girlfriends are throwing a beach party at a private beach in Malibu. The theme of the party is “pick from the bottle.” Only men and women of high quality were invited. The rules were everybody had to write down 10 sexual fetishes and fantasies that they had and then put them in a big bottle. When it’s your time to pick from the bottle, you had to do whatever it said on the paper to the person whose name is on the paper. As long as that person is of the opposite sex, 50% of the people who came were couples so I knew it would get interesting. Anna was there with her boyfriend. Anna was extremely attractive and was a lawyer. Before the bottle game started everybody enjoyed the barbeque being grilled on the oven, the girls were playing volleyball in their tight G-strings, the guys were playing basketball.
At about 5:00 p.m., all of the go to 70 people went inside the enormous beach house to the backyard. Which also huge part of the bottle game rules were that you had to think of the nastiest sexual fetish you could think of and if you refused, you had to pay $100 to that girl. A woman named Amanda, very attractive, and with her man pull from the bottle first, the paper said she had to eat and suck a guy's asshole name Jim. Amanda complied by going up to Jim and eating his asshole after which the guy unleash a wet fart in my mouth and face as her man looked on pissed off.

I was next; my paper said I had to put chocolate syrup on a girl named Christine pussy and eat it and her pussy while she insults and slaps me which had all the girls excited.

"Eat that kitty bitch" (she says)

"After this party I'm make you my bitch" (she says)

Slapping me hard as hell every time she cummed in my mouth and face.

"Open your mouth so I can nut down your throat.

"How did it taste bitch" (she says)

"Good" (I say)

"Good answer get use to it."
CHRISTINE WAS A VERY BEAUTIFUL DOMINANT WOMAN 5'8, 170 POUNDS, REAL THICK AND JUICY. SHE HAD A NICE ASS WITH THICK STRONG LEGS. SHE WAS A C.E.O. OF A REAL ESTATE MANAGEMENT FIRM. BEFORE THE NEXT PERSON PICKED FROM THE BOTTLE, CHRISTINE MADE AN ANNOUNCEMENT TO THE CROWD. IF ANYBODY GEYS A PAPER WITH MY BITCHES NAME ON IT GIVE IT TO ME AND IF ANYBODY GETS A PAPER THAT SAYS SOMETHING THEY DON'T WANT TO DO I'M MAKE MY BITCH DO IT TO ME. EVERYBODY STARTS LAUGHING.

CHRISTINE THEN PULLS OUT A DOG LEASH AND PUTS IT AROUND MY NECK AND THEN SAYS "GET ON ALL FOURS" AND THEN SHE SITS ON TOP OF ME AND SLAPS ME ANYTIME I TRY TO TALK. THE NEXT PERSON TO PICK FROM THE BOTTLE WAS A GUY NAMED JESSE. HIS PAPER SAID THAT A WOMAN NAMED BETTY WANTED TO GET FUCKED IN THE ASS AND PUSSY AT THE SAME TIME.

JESSE AND ANOTHER GUY DID JUST THAT IT LOOKED LIKE IT HURT BUT, BOY, WAS SHE LOVING IT MORNING AND CRYING THROUGHOUT THE 25 MINUTE EXPERIENCE.
The next person to pick from the bottle was Rebecca and her paper said a woman named Emily wanted a thorough blow job from another woman. Rebecca said that she was not lesbian so she would not do it. Christine said "Don't worry about it my bitch will do the job on your behalf, that way you want have to pay the $100." Christine throws me to the ground and sits on my face and says "Come here bitch eat master. I start licking and eating Christine's pussy until she cums on my face "Good boy." After eating and sucking her pussy for about 20 minutes she says "Get up bitch that's enough for now" while smacking her lips with confidence like a queen who has captured its prey.

After the bottle game concluded, the party organizer made a startling announcement: Part 2 of the party is about to begin but it is strictly for our single partygoers, the theme will be single men vs. single woman and it will last until tomorrow morning.
THE RULES WILL BE ALL SINGLES CAN PICK A PERSON OF THE OPPOSITE SEX TO HAVE SEX WITH IN ONE OF OUR ROOMS IN THE BEACHOUSE AND GET TO TRULY KNOW EACH OTHER AS BEST YOU CAN IN ONE NIGHT. WHOEVER GETS THE DOMINATE POSITION AND PLAYS THE DOMINATE ROLE WILL WIN $1,000.

"GOOD LUCK PICK YOUR PARTNER AND WE WILL SEE YOU IN THE MORNING."

"GET YOUR BITCH ASS OVER HERE" (CHRISTINE SAYS)

"I'M COMING; I'M COMING" (I SAY)

AS EVERYBODY PICKS THEIR PARTNER EVERYBODY HEADS TO THE BEACHOUSE.

EVERYBODY POINTS TO US AND SAYS "YOU KNOW WHOSE GOING TO DOMINATE THAT SHOW?"

AS ME AND CHRISTINE ENTER OUR ROOM SHE SAYS "WE'RE GOING TO TALK I NEED TO GIVE YOU INSTRUCTION ON WHAT I DEMAND FROM YOU AS MY BITCH."

"MY BITCH, NO, YOUR MY BITCH" (I SAY)

CHRISTINE SEEMED SHOCKED.

"WHAT DID YOU JUST SAY?" (CHRISTINE SAYS)

"I SAID YOUR MY BITCH NOW GET YOUR ASS OVER HERE!" (I SAY)
Christine tries to slap me but I move out the way then I push her on the ground.
While she's getting up I start jiggling her butt cheeks and then I run to the bed.
Christine is furious.
She jumps on the bed and says "Bitch you are going to pay for that."
She tries to punch me but I block her and hold both of her arms down so she can't move them. Then I jump on her back pinning her down.
While I juggle and squeeze her butt cheeks.
"Your my bitch" (I say teasing her)
"Get the fuck off me" (Christine says).
I tease her for about an hour continuously jiggling, squeezing and spanking her butt cheeks.
"Baby I understand you, I understand your pain on those days when you're frustrated and you need that discipline to regain your focus. I want to be your guide." (I say)
"F**k you who the f**k you think are" (Christine says)
I whisper in her ear while still pinning her down.
"I want to be there for you to lift your spirits every second, every minute of the day."
Christine starts crying.
"I want you to become large in yourself
large in your soul
know that your larger than life."

"Whatever" (Christine says)
I start spanking your butt cheeks and teasing you
by playing with your butt cheeks in a variety of ways
while teasing, laughing and talking to you in my
masculine sexy voice. I tell you "give daddy a kiss"

As soon as I say this, you cum all over yourself

"That's right baby let it all out." (I say)
As you cum you say "Damn"
I let you up thinking you going to try to
hit me but you jump in my arms
I put you on your back and put my big
juicy dick inside you and begin stroking in a
variety of different positions until you start
crying which produces numerous orgasms

"Bring them lips over here." (I say)

"Okay daddy." (Christine says)
After about 2 hours of me fucking Christine until she could barely move, I put her on top of me and we go to sleep. The next morning, we both go back to the beach where the entire IS gathering for the awards show. Every couple announces the dominant partner when it gets us everybody says in a sarcastic voice "Well, I wonder who the dominant one is in that relationship while laughing." While me and Christine are hugging, the party leader asks "Well, who is the dominant one here?" Christine says "my daddy." and points at me. While I jiggle her butt cheeks up and down suddenly we hear the whole crowd say "no way!" Christine then gets on her knees and starts sucking my dick as I guide her head in a circular manner until I cum all over her face. She opens her mouth as I put my dick and balls down her throat causing her to cough "that is fucking crazy." (I hear someone in the crowd say)
I let Christine get up then I tell her to bend over as I fuck her in the ass, then I say "THAT'S RIGHT, ACT RIGHT BITCH, ACT RIGHT" (I say as I cum in her asshole. The whole crowd laughs in amazement.

I see one of the women in the crowd laughing and then points to herself and then cum on herself.

I look at her. I only have one bitch and she's all I need.

Play a sucker to catch a sucker.
WET G-STRING PARTY

A FRIEND OF MINE NAMED JENNIFER TOLD ME THAT SHE WOULD BE THROWING A BIG REUNION PARTY FOR SOME OF HER COLLEGE SORORITY FRIENDS. SHE TOLD ME SHE WANTED ME TO PROVIDE ENTERTAINMENT FOR HER FRIENDS WHO WOULD BE REQUIRED TO WEAR ONLY G-STRINGS DURING THE PARTY. SHE WANTED ME TO SEDUCE HER FRIENDS. SHE TOLD ME THAT SHE WOULD TELL HER FRIENDS THAT THEY MUST TAKE OFF THEIR PANTIES AND WALK THE REST OF THE PARTY IF I GAVE THEM A COMMAND TO DO SOMETHING. JENNIFER TOLD ME TO CUM TO THE PARTY WITH NOTHING BUT MY SHORTS ON. I AGREED TO THE ENTERTAINMENT FOR THE NIGHT. I ARRIVED AT THE PARTY AROUND 6:00 P.M. WHICH WOULD LAST UNTIL THE MORNING. JENNIFER’S HOUSE WAS FILLED WITH ABOUT 25 VERY ATTRACTIVE WOMEN WHO WERE ALL IN GREAT SHAPE. WHEN I ARRIVED, THEY WERE ALL DANCING, TALKING, OR TOLD HER FRIENDS TO COME TO THE LIVING ROOM, AT WHICH TIME I INTRODUCED MYSELF.
each of the girls states their name and occupation
i give them a 20 minute quick biography of my life
a quick short version
i hope you ladies are ready to get your panties wet
because i'm drained every last drop of cum from you
(i say)
"whatever" (half of the girls say laughing)
a woman named stephanie says "i don't like him,
he's too arrogant"
jennifer then states "the party's open to joy"
one half of the girls go to the swimming pool area
while the other half stay in the living room
i walk over to leslie and give her a kiss and start
shout "owe"
by this time, my big juicy dick is hard and almost
poking through my shorts
leslie eyes are strictly on my dick area as i smack
her in the face with my dick, then i give her
a back rub while my dick slowly rotates on her neck
all the ladies are shouting "leslie! leslie!" as the
background music plays
I pick Leslie up from the chair to where she's facing me with her butt facing the ladies. I start jiggling her butt cheeks up and down while the girls laugh loudly. Leslie tries to resist as long as possible but I see a shy passive look on her face that tells me she's almost ready to erupt. I turn her around to where her butt is facing me and she's facing the girls. My dick is firmly on her butt cheeks as I whisper in her ear "Daddy, got you". As I continue squeezing her butt cheeks together, Leslie starts shaking as she can resist no longer as she cum all over herself with the cum soaking through her panties and dripping down her legs and thighs. The ladies start laughing and shouting "Leslie, Leslie!" as she looks at them embarrassed continuously_cum on herself as I tease her playfully. "Your daddy, bitch how does it feel?" She turns around to kiss and hug me as she takes off her panties and throws them in the air. "I'm daddy, new bitch" (Leslie says). "Go have fun, baby" (I say as I pat Leslie on the butt). Leslie runs to the swimming pool area shaking her butt cheeks.
Wet Panties Party - Part 2

After I conquer Leslie I flex my muscles and I point my big juicy dick in the direction of all the ladies as I say "I'm conquer every last one of you by the morning." Whatever (all of the ladies say laughing).

I seek out Stephanie who early on said "I don't like him, he's too arrogant." Stephanie is in the pool area talking to another woman as I go up to her and say "I need to talk to you get your butt over here." With my big juicy dick bouncing up and down in her face the other woman says "uh oh" and starts laughing and leaves while Stephanie says "how rude." "What you need is a man who can satisfy every ounce and keep your ass in line" (I say).

"Well it ain't you" (Stephanie says).

"Let's be adults about this let me tell you more about me other than what I told the other ladies earlier." "Oh how cute" (Stephanie says) as I tell her more about me she opens up a little more.

"That interesting, well let me tell you a little bit about me." (Stephanie says)
Stephanie tells me she's a lawyer, I tell her I'm a paralegal which drew a legal conversation between us that lasted about a hour.

The other girls in the pool area are playing water volleyball inside the pool while keeping a eye on me and Stephanie with a few laughing comments like, "He's going to have problems with her."

"You pretty cool not at all what I thought from how you came across earlier." (Stephanie says)

"I'm a man that likes giving a woman what she needs which is a strong man presence in her life as well as the discipline that comes with it." (I say)

"Get on your stomach let me give you a backrub." (I say)

"Well I guess that will be alright." (Stephanie says)

"I know it's alright get on your stomach." (As I pat her on her butt cheeks)

"Don't be smacking me on the butt." (Stephanie says in a serious manner)

"Girl don't start acting up." (As I pat her on the butt again)
"Whatever" (she says with a smirk on her face)
I sit on her back with my big juicy dick and balls rotating on her back
"Are you comfortable am I squishing you" (I say)
"No that's fine" (Stephanie says)
I start rubbing her back with some oil that I brought with me, I guess her back
"How does it feel" (I say)
"Great actually" (she says)
"You need a man that can please you by keeping you in line in every stretch of the imagination" (I say)
"I guess" (she says)
"You need to shut your mouth when I'm talking" (I say)
"Whatever your too much" (Stephanie says)
"Shut your mouth" (I say as I spank her on both butt cheeks)
"Don't smack me on my butt" (Stephanie says)
"Shut your mouth" (I say more aggressively)
"Alright damn" (Stephanie says)
I continue to rub her back as I say "How does it feel now"
"Great" (Stephanie says)
I could tell that her voice was changing and getting more submissive.

I start yelling at her so all the ladies in the pool could hear. As they stop playing volleyball and look in our direction.

I turn around and start massaging her butt cheeks while yelling at her "that's what's wrong with women when you're around a real man you don't know how to shut your fuckin' mouth and listen!"

I continue to massage her butt cheeks while also jiggling and squeezing her butt cheeks. Stephanie starts shaking as I realize she's coming.

I don't tell her or the other ladies I know she's coming.

The ladies have their mouths covered while laughing "oh my god" (most of the ladies say).

"When a man tries to love you the way you need to be loved you fight it instead of embracing it" (I say).

"What the fuck is the problem why you'll run from love!" (I say).

"Why you'll run from love" (I say).

"Get your butt up" (I tell Stephanie).

When Stephanie gets up she was cum all over her panties and running down her legs to where all the girls could see.
All the girls start laughing while covering their mouths in embarrassment for Stephanie who can't look the other girls in the face.

I hold Stephanie to where she can't get up, then I say loudly, "You see this? She doesn't want to run anymore, she loves the presence of a real man, she submits to a real man." (I say)

I lay Stephanie on my lap and start spanking her butt cheeks, while jiggling and squeezing both butt cheeks together in a playful manner.

"You see this, she's acting right, she was just waiting for a real man to make her ass act right and that Stephanie." (I say)

"Yes" (she says)

"Yes what" (I say while spanking her)

"Yes daddy" (she says)

"What" (the other girls continue to laugh)

"That is so crazy" (most of the ladies say)

"Get your ass up, assume the position you should be assuming when you in the presence of a man." (I say)

"What daddy?" (she says) as she continues to cum, which is soaking through her panties and down her legs.

"Take them wet panties off and assume the position." (I say) She takes her panties off and throws them in a pool and bends over.
I pull my big juicy cock out of my shorts and pointed it to all the ladies saying "All you'll better act I'm giving you that love, you so desperately feel like you're heard every second of the day, I'm making sure you just fucking act right, do I make myself clear?" "Yes, Daddy" (she says screaming)

I look up and see all the girls swiping me cumming on themselves while watching one of their strong girls being broke down by me.

All of the ladies cum on themselves and throw their panties in the pool.

I let Stephanie up as she jumps in my arms and kisses me.

All the other ladies come up to me individually kissing me while saying "I respect that Daddy."

I tell all the ladies to get their asses in the living room where the other ladies had been watching us through the window of the big sliding door that separates the living room from the pool area.

As we enter the living room I tell all the ladies to give Daddy the appreciation he deserves one by one the ladies get on their knees and suck my big thick juicy cock making sure my cum was on the face of every last one of them.
"Don't wipe nuttin off" (I say)

I saved the best for last, get your ass over here Jennifer. You are the host of the party, you deserve a grand celebration for what you gave those ladies throughout the course of this party.

I lay Jennifer on her back and enter her stroking her G-spot continuously as she cums at least 5 or 6 times while shouting "okay daddy okay" as the ladies knead their head.

"We feeling that" (the ladies say)

After an hour, I allow Jennifer to get up and I lift her on my shoulder while giggling and squeezing her butt cheeks open and close playfully while the ladies laugh loudly saying "you somethin' else, what are you doing?" (laughing frantically)

"Don't embarrass her like that" (a lady says)

"Your next" (I tell her)

"You promise" (she says laughing)

I let Jennifer down while she continues to cum all over herself.

Jennifer gets on her knees and eats and sucks my dick until I cum all over her face.
She loves giving oral sex.

She loves sucking my dick.
Me and my new girlfriend love going to the gym. I love exercising; it's great for the mind, body, and soul.

It also increases your sex drive.

When me and my 5 months wife first hooked up, she was not much of a fan of exercising except for the occasional walk around the park.

On the other hand, I love exercising every day for 1 hour.

I am a physically fit as a person can possibly get.

When me and my girl have sex, after about an hour, she is out of energy and I totally dominate inside of her until she can cum no more and

I throw her around the bed like a ragdoll, stroking placing her body in various positions.

Fucking her while she bends over. Fucking her while she's in my lap.

You name the position; I've had her in it.

In her own words, my dick is an unstoppable machine.
She asks me where I get the sex drive. I tell her she is the most beautiful woman in the world and I want to experience every part of her. I also tell her my daily exercising routine allows me to have the strength to easily throw her around and have sex with her 5 to 6 hours easily. In response to that she said she would go to the gym with me everyday to increase her stamina. Now she is able to last 2 to 3 hours before submitting to Daddy.

She loves to worship my big thick juicy dick, which is 12 inches long, 4 inches wide and completely shaved, as well as my balls which she loves to juggle and have sitting in her mouth, rotating around until I cum in her mouth sucking my big juicy thick dick is like a snack for her that she can enjoy whenever she wants. She loves sucking on something that has so much power and control over her life and has the power to just make her submit so easy. She says my Dick has a wine aroma and taste, sort of like cranberry juice, not too sweet, not too sour.
She smacks and sucks my big thick juicy dick and balls sometimes for hours. She needs it in her life and I make sure she enjoys every cum that it produces. She needs it for the discipline and power it represents.
MUD WRESTLING EXTRAVAGANZA

A friend of mine named Sarah called me and said she was organizing a MUD WRESTLING EXTRAVAGANZA Contest in which 5 women would fight over 1 man in the middle of the ring while each woman flirts with him.

The first woman to make him cum wins.

The object of the game for the woman is to keep the other woman away from the man so that they can ultimately get the man to cum themselves and win the $5,000 prize as well as a date with the man.

Sarah wanted me to be that man and I agreed.

The MUD WRESTLING Contest would occur in a mud made ring filled with mud in the middle of a beach on a hot August day with thousands of spectators.

I'm the first to enter the ring.

I'm not allowed to touch any of the woman until I cum.

The 5 woman enter the ring all gorgeous but of different size.

One of the woman I saw was the clear favorite in my opinion, a big 5'11, 180 pound woman named Amanda.

Physically fit woman with a great body I was hoping she would win because I definitely wanted to fuck her.
THE OTHER FOUR WOMAN WERE DECENT BUT MUCH SMALLER THAN HER ESPECIALLY A 5'3, 150 POUND WOMAN NAMED NANCY WHO WAS SHORTER BUT THICK WITH A NICE JUICY ASS FOR HER SIZE.

THE FIRST THOUGHT IN MY MIND WAS HURRY UP AMANDA BEAT THE SHIT OUT OF THESE CHICKS, LET'S SPLIT THE $5,000 AND ENJOY A NIGHT OF PASSIONATE SEX. AS THE FIGHT STARTS AMANDA JUMPS ON ONE OF THE GIRLS AND STARTS BEATING THE SHIT OUT OF HER ASS WHILE PUMMELING HER IN THE MUD. AS THE OTHER 3 GIRLS WRESTLE WITH EACH OTHER, THE GIRL THAT AMANDA PUMMELS JUMPS OUT THE RING SAYING SHE WANTS NO MORE OF AMANDA.

AMANDA APPROACHES ME AND STARTS KISSING ME AND RUBBING MY DICK I COULD FEEL IT COMING. BUT BEFORE I COULD CUM LITTLE NANCY JUMPS ON AMANDA AND STARTS PUNCHING HER. AMANDA THROWS NANCY OFF HER AND THE 3 OTHER GIRLS APPROACH AMANDA ONE BY ONE. AMANDA BEATS THE SHIT OUT OF THE OTHER 3 GIRLS WHO ALL JUMP OUT THE RING IN FEAR. NANCY JUMPS ON AMANDA AS THE CROWD LAUGHS BECAUSE OF THE SIZE DIFFERENCE EVERYBODY THOUGHT IT WAS ONLY A MATTER OF SECONDS BEFORE AMANDA BETRAYED NANCY.
WHAT HAPPENED NEXT SHOCKED ME AND THE CROWD.
NANCY JUMPS UP AND KICKS AMANDA STRAIGHT IN THE
FACE AND THEN PUNCHES HER WHICH CAUSES HER TO
FALL
WHILE ON THE GROUND NANCY JUMPS ON AMANDA AND HIT
HER IN THE FACE ABOUT 5 TIMES CAUSING AMANDA TO BLEED.
NANCY THEN TELLS AMANDA "EAT MY PUSSY BITCH" AS NANCY CUMS ALL OVER AMANDA'S FACE.
NANCY THEN SAYS "NOW GET THE FUCK OUT OF HERE!" AS THE CROWD IN SHOCK CHEERS LOUDLY.
AMANDA JUMPS OUT OF THE RING WHICH AMUSES ME SO MUCH THAT IT GETS ME HARD TO THE POINT
THAT I CUM ALL OVER MYSELF.
AMANDA THEN JUMPS ON ME AND SAYS LAUGHING "YOURS NEXT" AS WE HAVE HOT PASSIONATE SEX FOR
ABOUT A HOUR AS THE CROWD WATCHES CHEERING US ON.
I QUICKLY DOMINATE NANCY AS I GET HER TO
CUM NON-STOP DURING THE HOUR EXTRAVAGANZA.
AFTERWARDS NANCY ACCEPTS THE $5,000 AND WE
HEAD TO HER PLACE FOR ANOTHER 3 HOURS OF
HOT SEX.
THE THREESOME

I was dating 2 women at the same time. One name Diana, the other Erica. Diana was 6 feet 170 pounds of all woman with a great ass. Diana was 35 years old, very loud and very dominant. Erica was 5'3, 150 pounds, also with a great body and ass. Erica was 27 years old, laid back and extremely passive. Erica was very intellectual and our conversations lasted longer and I felt myself growing more with her than Diana who had better physical attributes that I loved and her sex was better. After dating both of them for a year in secret without the other knowing they found out from me about the other. Diana instead of getting mad told me she wanted to meet Erica as Erica did as well. I called Diana and Erica one night and told them that I wanted them to come over because I was tired of speaking behind their backs and I was prepared to pick one (1) as my final soulmate. When Erica and Diana came they looked at each other like two (2) championship fighters preparing for the big fight.
We had a 3 hour conversation about life and different topics as they both tried to sound smarter than the other and kiss my ass at the same time. Erica's feedback were more intellectual and Diana knew it so got desperate and said, "Why don't we do this? Let's have a threesome in which we both have sex with you while the other watches. Whoever gets you to cum the most wins." My face lights up, I say, "I like that idea because as of right now you two are pretty even, I can't choose between you two, so tonight in my bed will be the deciding factor. After we finish conversing I tell Erica and Diana to get comfortable and to meet me in the bedroom. No clothes needed. I go to my bedroom and get undressed and lay butt ass naked in my bed. "Let the show begin, Ladies" (I say). Erica comes in first butt naked blowing me kisses until she reaches my bed.
ERICA JUMPS ON ME AS I JIGGLE HER BUTT CHEEKS THEY CUMS INTO THE BEDROOM WITH A SEXY STROLL AND SAYS "GET THE HELL OFF MY MAN BITCH"

"WATCH WHO YOU CALLING A BITCH, SLUT" (ERICA SAYS)

"PLAY FAIR LADIES" (I SAY)

DIANA THEN TURNS AROUND AND STARTS TwerkING HER BUTT CHEEKS UP AND DOWN, SIDE TO SIDE WHICH GETS ME HORNY AS HELL WHICH GETSERICA JEALOUS AS HELL. DIANA JUMPS ON ME AS ERICA SAYS "I WANT TO GO FIRST!" "THIS IS WHAT WE WILL DO, WE WILL FLIP FOR IT!

HEADS ERICA GOES FIRST, TAILS DIANA GOES FIRST" (I SAY)

I'LL FLIP THE COIN

"ITS TAILS" (DIANA GOES FIRST) (I SAY)

"YOUR NOT GONNA NEED THAT BITCH AFTER I'M DONE WITH YOU" (DIANA SAYS)

DIANA JUMPS ON ME AS I Squeeze HER BUTT CHEEKS PLAYFULLY

I THEN ROLL HER ON HER BACK AND ENTER HER WITH MY BIG JUICY THICK DICK AND STROKE HER CONTINUOUSLY WHILE SHE CUMS

AS I MOVE HER BODY IN VARIOUS POSITIONS WHILE SHE NOANS LIKE CRAZY

DIANA GETS ON TOP OF ME AND STARTS RIDING MY DICK LIKE A PRO WHICH PRODUCES ONE OF THE BIGGEST CUMS I'VE EVER HAD
I even start moaning loudly which upsets Erica a little.

After Dia²a is done I put her on her back and start fucking her for about another hour until she can cum no more and says "I can't take anymore." We fuck each other for about 2 hours and then I get off of her as Erica says "that's it, oh I'm going to show you how its done girl." We and Erica go to take a shower and when I'm finished I tell Erica to get up so I can choose the sheets.

I tell Dia²a to come back into the bedroom after she's finished showering which takes about 45 minutes when Dia²a comes back into the bedroom she jumps on me as I stop her and say "hold on beautiful it's Erica turn."

"FUCK THAT BITCH" (Dia²a says)
"FUCK YOU" (Erica says)
"LISTEN Dia²a PLAY nice if you keep it up I'm have to ask you to leave." (I say)
"ALRIGHT ALRIGHT tell her to HURRY UP" (Dia²a says)
"LET ME SHOW YOU WHAT A REAL WOMAN FEELS LIKE" (Erica says)
Erica gets on top of me and rides my big Juicy Dick for about a hour which has me whipped and in another world.
"How does that feel baby" (Erica says)
"GREAT! Oh fuck" (I moan)
"I'm switching you up on you like this, is that how daddy likes it" (she says)
As she switches to a position I've never felt before
"Damn, damn, what the fuck" (I yell as I have one of the biggest orgasms ever, while I hold on to her big sweaty butt cheeks)
She's putting it on me but at the end of the hour I start to balance out the sexy session by regaining control.
As she begins cumming so much that she has no energy to even move that's when I put her on her back and fuck her with the little energy that I still have left while spanking her butt cheeks which arouses her until she releases all the cum her body can produce.
After I'm done whipping her Kitty Kat I put her on top of me as I caress and tease her butt cheeks while I seduce her with my sexy smooth voice as she smacks in my ear sounding like she's on top of the world.
We then begin one of our hour long conversations about life and realizing I've found the right one.
In the middle of our conversation, I tell Diana, "Your services are no longer needed."
"F*ck you and that slut" (Diana says) as she runs out the bedroom and lets herself out.
"Let me make sure this bitch locked my door?" (I say)
When I get back to the bedroom, she is twerking her butt cheeks up and down which has me horny as hell.
Iingle her butt cheeks and suck them as we lay back down and finish our conversation which finally lets me know I found the right one.
A real woman with beauty and intellect that I can grow with.
I LOVE GIVING ORAL SEX

I love giving oral sex when me and my girlfriend J. Ward first met one of the conversations we had was about hygiene. She told me she was the cleanest woman I would ever meet in my life. I can remember growing up my mother would tell me you can tell about a woman's hygiene by looking at her feet and arms if she has clean feet and her arms are completely shaved she is probably a very clean person. If she does not take care of her overall hygiene J. Ward was her feet and arms which were clean with no hair. The first time we had sex there was no unusual bad odor coming from her vagina or anywhere else on her body. The next time we had sex I allowed her to sit on my face as she ate and sucked her pussy for hours making sure I got my tongue all the way in there enjoying every last drop of her cum which had a very lime-like taste to it.
to make her and my oral sex experience more worthwhile, I love to put chocolate syrup and cake frosting all over her pussy. When mixed with her cum, it creates a delicious dessert. I have cum to cherish and love. I love the look on your face every time I make you cum while eating you. I make sure I lick you dry by eating every last drop of your cum, as well as the chocolate syrup and cake frosting. While I'm eating you, I love to hear you make those smacking cum faster and more. In addition to sucking and eating your pussy and cum, I also love to suck your butt cheeks and eat your asshole dry. I love it when you sit on my face while I make my way to your asshole, which I also like to put chocolate syrup and cake frosting on until I suck and eat it dry while you continuously fart in my face.
I love to suck and eat the farts your ass produce whether it's the wet sounding, loud sounding or strange sounding farts anything your body produces I love and will worship.

I also love licking and sucking your feet and toes. Of course, as usual, I love putting chocolate syrup cake frosting in between each toe and on top of each foot as I lick and suck your feet and toes for hours until you cum.

When you love someone your willing to do anything for them.

I love you and I show my love by doing anything and everything to make you happy.
HER KNIGHT IN SHINING ARMOR

ME AND MY GIRLFRIEND J. WARD HAVE BEEN TOGETHER FOR 5 MONTHS. WHEN WE FIRST MET SHE TOLD ME ABOUT ALL HER PAST RELATIONSHIPS AND HOW ALL HER EX'S EITHER CHEATED ON HER, PHYSICALLY ABUSED HER OR WERE VERY DISRESPECTFUL TO HER. SINCE WE'VE BEEN TOGETHER OUR RELATIONSHIP HAS BEEN BUILT ON UNCONDITIONAL LOVE, TRUST, LOYALTY AND RESPECT. SHE'S A VERY GOOD WOMAN AND I PROMISE HER I WOULD MAKE HER MY LAST. I PROMISED HER SHE WOULD NOT NEED ANYBODY ELSE IN HER LIFE ONCE WE'VE COMMITTED TO EACH OTHER AND FUTURE PLANS REVOLVE AROUND HER, AROUND US. AT NIGHT WHEN WE'RE IN BED I MAKE SURE EVERY PART OF HER BODY IS WELL TAKEN CARE OF. I WORSHIP AND PLEASE HER BODY, ALL OF HER FANTASIES, ALL OF HER DESIRES, DRAINING EVERY LAST OUNCE OF CUM FROM HER.
24 HOURS A DAY I FULFILL HER EMOTIONALLY, SPIRITUALLY AND MENTAL NEEDS
SHE CAN TOTALLY RELY ON ME AS I PROVIDE HER WITH A STRONG BALANCE, AND THE TYPE OF CONSISTENCY EVERY WOMAN NEEDS IN HER LIFE TO COMPLETE HER AS A WOMAN
THE DREAMS AND FANTASIES WE HAD BEFORE WE MET WE HAVE FULFILLED EVERY LAST ONE AND MADE THEM OUR REALITIES
THE TWERK CONTEST

A friend of mine named Amanda told me that her and a bunch of her friends would be having a twerking contest at her beach side apartment and she wanted me to judge the contest.

"Why you want me to judge the contest" (I say)

"Because you a FLY ass nigga, my girls will respect your decision" (she says)

"Are you going to be in the twerk off" (I say)

"Of course you see my ass you know can't nobody fuck with me" (she says)

"What do I get as a reward for judging this contest" (I say)

"I love the whole twerk idea but a brother got to get paid" (I say)

"I'll give you $300 and you get it to go out of a bar with the winner" (she says)

"I'm with it" (I say)

Amanda tells me it will be 5 girls in the contest including her and I had to rate their twerk performance on a scale of 1 to 10.

I arrive at Amanda's beach house at 5:00 P.M. and all 5 girls are there laughing and talking.

Amanda made a stage in her large living room where the girls would strut their stuff.

Her living room also had a large window which overlooked the ocean.
A beautiful scene but not as beautiful as the five butt naked woman I was getting ready to judge. Amanda always had a crush on me, I wouldn't mind if she won. I secretly thought because she was a big tall woman with a big massive ass that I would love to wake up to every day. The first woman to therk was a white girl named Cindy who reminded me of the model Coco. She had an innocent look with a big juicy ass. As she starts therking, she makes her left butt cheek jibgle up and then her right butt cheek jibgles up. A second later left butt cheek first, then right butt cheek next.

"Nice" (I say)

"Speed it up some" (I say)

Cindy speeds up her therking which has me horny as hell to the point where I begin sweating and myself. "Damn girl you a bad bitch, I wouldn't mind coming up there and eating every last bit of that" (I say) as all the girls start laughing. I gave her a 9.3. It was good performance but she could've been more active and she would have pushed her to a "10"
The next girl up is a Puerto Rican named Chanda. Great body, great thighs, great ass which looked bigger than the other girls because she was shorter and more compacted.

As she got up on stage I thought to myself I'm in booty heaven. These women should be honored as Queens. It's crazy how all the Hollywood skinny chicks, get all the praise and attention when you got real women like this walking around.

As Chanda starts to thwerk she does something else I've never seen before, she makes her butt cheeks jiggle inward and outward instead of the normal up and down. Her juicy butt cheeks resemble a water bed after you jump up and down on it.

As her butt cheeks thwerk in and out, her hips are definetely in rhythm with her movements. "DAMN this bitch is off the hook, let me come suck it" (I say)

"You crazy" (Chanda says as her and the other girls start laughing)
I gave her a 9.8, the only reason I didn't give her a 10 was because I was trying to motivate the other girls to be better which would be hard considering what I just saw. The next girl was an Asian named Susan who was less than spectacular although she was worthy of being in the competition. I gave her an 8.8, a solid performance but not in the other girls class.

"It's because I'm Asian huh?" (she says)

"Hey no girl, you did good but you got to step that stuff up.

The next girl was a black woman named Tasha with a big juicy ass that made a nice man want to cry.

"Girl I would spend my paycheck on that ass dammit is from another world!" (I say)

As Tasha begins I allow my stereotype of a black woman to get the best of me as I just knew she would win this competition no problem but I was wrong.

Her performance was good but she didn't do anything that I've never seen before. But she definitely had me worried as well after she was done I gave her a 9.6. As I told her "Girl we need to replace the statue of liberty with them butt cheeks!"
LAST BUT NOT LEAST WAS AMANDA THE HOST OF THE CONTEST AND A CLOSE FRIEND OF MINE, A TRUE ITALIAN STALLION, THICK BONED, THICK BLACK HAIR, THICK THIGH WITH A BIG JUICY ASS
I THOUGHT TO MYSELF 'GET UP THERE DO YA THING SO I CAN CROWN THE PUERTO RICAN THE WINNER!
Amanda had other ideas
As she began her twerk off, she made her butt cheeks go up and down and outward and inward just like the other girls but even better and faster.
She added something to her performance I never saw before, she made her sweaty left and right butt cheek clap together as if they were clapping making a beautiful sound that made me cum on myself instantly
"IT'S OVER HANDS DOWN, AMANDA IS THE WINNER,
THIS BITCH IS WHAT DREAMS ARE MADE OF" (I SAY)
I WHISPER IN HER EAR "I WANT TO TASTE EVERY LAST BIT OF YOU" (I SAY)
"OH, YOUR GOING TO GET YOUR CHANCE" (SHE SAYS)
After the girls leave, me and Amappa have hot passionate sex as we fuck all night. She lived up to her word; I got to taste every last drop of her, from her pussy to her asshole. She felt every last inch of my dick as I stroked her G-spot and asshole until she had no cum left.
G-SPOT EXPERT

While at the club one night I couldn't help but see a female named Tiffany sitting at the bar alone. I was amazed that a woman of her quality would be alone so I went up to her and asked her if I could buy her a drink to which she replied "yes." I asked her if she came to this club a lot, she said she came every week because she was at the point in her life where she was looking for a real man who could satisfy her completely. She said she was looking for a man who could satisfy her sexually and intellectually but most guys she met could only do one of the two or none at all. "It frustrates her that she can't find a man to her. "You have to be patient, keep looking when that man comes you will know." (I say) "I hope so." (She says while liping her lips at me) Tiffany was one of the most attractive women in the club. All women, all feminine, 5'6, 150 pounds of thick, juicy woman. A great ass that jiggled like two ping pong balls when she walked. She was all natural. she didn't have to put much effort into her sexiness.
"Would you like to dance?" (I say)
"Yes." (She says)
We dance for about a good 30 minutes as we strut our stuff.
After we finish dancing, I tell her I would like to get to know her to which she replied, "I would like that, but I want to talk in private." (She says)
"Did you have something in mind?" (I say)
"My place." (She says)
We get to her place in 20 minutes and I was impressed by how clean it was, when coupled with her clean feet told me she was a clean woman.
A big plus.
Me and Tiffany had an in-depth conversation in which our feedback was quick and enlightening.
"You need a man whose going to motivate you to grow.
Who's going to make you enjoy waking up everyday to a new goal in life.
You need a man whose going to spice up your life." (I say)
"Pretty much" (she says)

By this time I knew I wanted her and I knew she was ripe for the taking.

Before I could make my move she jumped on me while we were sitting on the couch by wrapping her arms around my neck and kissing me as I squeeze her butt cheeks.

I put her on her back as we undress quickly as I enter her I go slow.

My dick is real thick and long so as I enter her I go slow stirring my dick into her making sure every spot was touched, making sure she felt every inch of my dick while I firmly hold her thighs and butt cheeks.

Making sure she is pleased, I carefully time each stroke by this time she's moaning like crazy.

Her facial expression tells it all, her expression tells me I've hit the G-spot, the area in the pussy which produces her biggest orgasms and spurts of cum.
I know everytime I reach it because she looks at me with love and mercy in her eyes right before she cums which is always followed by a nice wet sweaty fart. She cums about 7 good times after which I put her on top of me and whisper in her ear teasing her with sexy words.

"Who? Daddy?" (I say)

"You" (she says)

"I'm making sure you act and feel the way a real woman is supposed to every second of the day." (I say)

"Finally" (she says)

I jiggle her butt cheeks until she falls asleep. The easiest way to control a high quality woman is by fulfilling her G-spot needs.
I got a new job at an accounting firm. My first day on the job, one of my co-workers told me to stay away from Maya. John said Maya thought she was better than everybody. A real stuck up bitch that rubbed everybody the wrong way.

"My type of woman" (I thought)

I love a challenge, it makes the sex that much better in the long run. Maya was real feisty but the most attractive woman at the firm.

One day I walked up to her and introduced myself in my natural, aggressive manner.

"Alright, rookie. I hope everybody told you I don't like being bothered and I can be a real bitch." (She says)

"Alright, that's nice to know." (As I walk away from her giving her the impression that I really don't give a fuck about what she just said)

For the next month I didn't even acknowledge her as every other male co-worker tried desperately to smooth me out. Her which does not work.
The next month I was voted Employee of the Month because everybody was drawn to my work ethic, energy, free spirit and arrogance.

One day Maya comes up to me and congratulates me on being Employee of the Month. I say, "Thank you, I appreciate it, I'm honored at you letting me handle my business." She expected me to feel honored to be talking to her. When she realized I didn't give a fuck about her, it aroused her and created interest in her.

One day my supervisor Mike told all of us that there would be a firm party on Labor Day and we wanted everyone to attend.

On the day of the firm party everyone shows up. It was close to 100 degrees out so most people came with shorts on. Maya came with tight spandex shorts, a tight T-shirt with sandals on. She looked great.
everytime she walked by me my dick would get hard as her big juicy butt cheeks jiggled up and down as if her butt cheeks were about to rip out of her spandex shorts

after talking to a few co-workers i go to a nearby couch and enjoy the weather which despite the near 100 degree temperatures had a nice cool breeze at times

while relaxing, maya comes up to me and says "hi mr. employee of the month" (with a smile on her face)

"how are you doing" (i tell her)

"i love your style tell me a little about yourself" (she says with a serious look on her face) (she says)

i tell her a little about me and then i say "there's so much more i think you might be interested in hearing but i have some business i need to address with lisa"

lisa was a co-worker that maya despised

"hopefully we can finish this conversation later" (maya says)

"i guess if i have time" (i say)
While me and Lisa are talking I could see Maya in the corner of my eye staring at us with a mean look on her face. After my conversation with Lisa ends, Maya walks over to me and says "Let's continue our conversation from earlier. I really want to get to know you." "Okay" (I say). Maya interrupts and says "But let's go somewhere private. I don't want the other co-workers in our business, let's go to my place." "Okay, sounds good." (I say). When we get to Maya's place she heads to the bathroom to clean up a little. A comes out with a spandex G-string on with a T-shirt that exposed her belly button. As we talk on the couch I give her a brief 2 hour summary of my life and goals in life. "You are really interesting." (She says) "Thank you." (I say). Maya starts smacking her lips in a way that gets hordy as hell and she knows it.
"You like that huh?" (she say)
"Yes" (I say)
"The reason I act like that at work is because I get tired of all those names coming up to me all day. That's why I always come up to you because I see you as a real mad whose interesting and confident. Why you don't talk to me, open up, I'm cool." (she say)
"I see that now, I be so busy, but believe me I see you." (I say)
"Well if you see me, they open up to me." (she says as she puts her arms around me)
"You go act right." (I say)
"I'm act right, I'm ready." (she says) Maya starts crying as I put her on her back and enter her. Stroking slowly then faster, while she moans and Cum. Uncontrollably.
"You go act right." (I say)
"Yes Daddy, yes, hell yes." (she says) While stroking her with my thick juicy dick, she Cums 5. Good times as I firmly hold on to her butt cheeks.
"tomorrow when we go to work your going to move your desk next to mine, your going to shut your mouth and act the way a real woman is supposed to act with class and respect, so I make myself clear? (I say)

"Yes" (maya says smacking her lips in a submissive manner. maya then gets up and bends over and says "do ya thing this is all you"
maya is on all 4's throwing her big juicy butt cheeks up and down.
I get up and spread maya's butt cheeks apart and enter her asshole with my thick juicy dick stroking her for about a hour until she cum's on her self at least 5 hours

During the hour long rodeo while I'm stroking her I repeatedly say "look at daddy's little bitch, got you trained and feeling good huh?"

"Yep" (maya say smacking unconvincingly in a total submissive manner)

After the doggystyle rodeo I put her on top of me as I jiggie her butt cheeks and smack in her ass until she fall asleep
The next day a few co-workers say "Maya's been really quiet and feels good lately; she doesn't cuss people out anymore, what's gotten into her?"

"She's acting right, the rodeo put her in her place" (I say)

John says "The rodeo how?" (while winking)

Everybody starts laughing.

Maya hits me playfully as she gets up from her chair and then I see she starts shaking as she cums on herself uncontrollably and some of the cum soaks through their tight pants. Some of the ladies watching saw the cum soaking through her pants and start laughing loudly and say "That is so funny." (They say)

Maya goes to the restroom and as she cums out a few co-workers joke "How was the rodeo?"

Before Maya could say anything I say "Get your butt over here and sit down" (I say while kissing her)

"Don't mind them get to work" (I say)

"Alright baby" (she says)

"Rodeo time tonight" (I say)

"You know it" (she says with a grin on her face)

YOUR NORMALLY A TOLERANT PERSON AND IT TAKES A LOT TO GET YOU MAD

BUT THIS PARTICULAR NIGHT I HAD YOU PISSED OFF AND YOU STARTED SHOUTING AT ME IT SHOCKED HOWARD WHO STARTED LAUGHING UNCONTROLLABLY

WHEN I BENT YOU OVER MY LAP IN A POSITION JIGGLING YOUR BUTT CHEEKS MAKING THEM CLAP

HOWARD STARTED LAUGHING AND SAID "THIS IS SO F**KING HILARIOUS"
You start crying and shouting "Let me up!" when I let you up. You immediately cum on yourself in front of me and Howard, cum juice coming down your thigh through your little shorts.

Howard starts laughing frantically with her hand over her mouth "That is crazy" (she says)
You sit on my lap and say "Bring your ass over here" (I say)
"I love you baby, fucking asshole" (as you start smiling and kissing me)
"Good for ya'll" (Howard says still laughing)
I wish I were living with ten (10) J. Ward's so much love, from ten different directions Five (5) J. Ward's could go to work while five (5) J. Ward's could stay home with me all day having hot passionate sex
Laughing at my jokes
Playing close attention to the surprising twists and turns of my late-night philosophical ruminations
As I juggle your butt cheeks as you cum non-stop

If I only had five(s) J. Ward's

Would I be yearning for the other five(s) J. Ward's

Who were not here?

That's how much I worship and love her.

My love for J. Ward
I told you before we got together that I had a love for strip clubs and prostitutes. I loved the "anything goes" feeling with being in strip clubs and being with prostitutes. My love for strip clubs and living the "playa life" became so much of a problem that I thought I would never be able to be loyal to a woman. Then I met you "J.Ward." You are the one in a million woman. You were worth me giving up my player lifestyle. The first time we had sex, it was a feeling I had that I never experienced with another woman. You are a woman in every stretch of the imagination. You were willing to forgive me for all of the mistakes I made in my life. You saw me for who I was and for who I could be that's what drew you to me. Your habits became my habit, my habits became your habits. Including my sex fetishes.
When we first met you told me you liked to keep it "simple" in bed, that you really didn’t have any particular fetish but you were open to anything.

As we got to know each other better and became more as one we started to experiment more not only in bed but throughout the house. The bathroom floor and took you for a hour. You couldn’t move its been countless times I’ve fucked you doggy style on the balcony where our neighbors couldn’t see us but could definitely hear us with their loud laughter making you cum more knowing that other people could hear me domipatips you while you enjoyed every minute, every second, every orgasm.

When we first met you use to ask me why I liked to pat and jiggle your butt cheeks as I got into your head more and you realized that I had a complete understanding of who you were as a woman, you became more emotionally attached to me to the point where just hearing my voice made you horny as hell as you anticipate every romantic word I say to you.
You know it's coming because you know I have made a total commitment to you. You are my very reason for living. When I tease you while romanticizing you at the same time you try to resist the urge by running from me in the house while I chase you patting you on your butt cheeks, jiggling your butt cheeks until you can't resist anymore and you give up and explode with cum.

You have that you couldn't resist for longer but you love it tells you how much we love each other.

"You okay baby?" (I say as I lay on top of you giving the finishing strokes of love)

"Yes baby." (You say with extreme love in your eyes.)

One day when you were at work, I received a phone call from my "ex" who just happened to be a stripper who resembled Amber Rose. She called me to say she wanted another a chance because the bond we had was unlike anything she ever experienced in life and that she didn't realize this until we separated.

I explained to her that I had completely moved on and that I had met a woman named J. Ward who was a perfect perfect match for me and that I would never do anything to jeopardize what we have which is beyond words.
The love me and J. Ward has is at the highest level that a relationship can possibly go which is at a level of complete companionship complete oneness.

Her body is my body, my body is her body.

I would drink her urine straight from her vagina if she asked.

If she sat on my face and "shitted" I would eat it if she asked me to.

It's been countless times where I've sat on her face and she sucks and ate my juicy dick and balls for hours like it was an experiment of hers until her whole face was covered with my cum.

It's been countless nights where my dick would be in every asshole for hours stroking to the point where it became normal to her like a massage and she cummed more than me while I was stroking and smashing her butt cheeks together into my dick.

I told my "ex" that complete oneness is what me and my wife J. Ward have and there is no force on this earth that could tear us apart.
We are as one intellectually, sexually, spiritually, emotionally, physically and humor-wise.

We love to have fun with each other.

When we go to heaven, we will go as attached twins.

Together forever.

I will always remain loyal to my wife, my soulmate, my everything.

I love you.

MARIJUANA BROWNIES

My wife has never smoked marijuana. I decided to make marijuana brownies and let her choose whether to try them or not. I studied recipes about marijuana preparation. It's best to sauté the marijuana before adding it to the brownie mix in order to release its full potency. I prepared the marijuana brownies and dinner at the same time.

Cooking marijuana creates the same distinctive smell as smoking it. My daughter casually entered the kitchen and whispered that she smelled pot. My wife tried the brownie it gave her diarrhea. My wife now hates brownies. My daughter loves them. Which makes me start wondering about my daughter. Am I creating a Bob Marley?
Humans need not dominate

Humans need not take precedence over all other forms of life. Humans don't deserve to exist anymore than lizard culture, grass culture, butterfly culture, tree culture, love wild animals. Do not touch or interfere with them in any way. Deers passing through the yard, bears in the driveway, foxes leaving tracks in the snow. Humans should live in the world, not dominate it.
Admiration of a True Poet

Poetry should be present in everybody's lives,
I had a compliment paid to me
When a close friend of mine
told me he memorized a poem of mine
My close friend recited my poem to another friend
With tears in his eyes
My words were coming out of his mouth
That's the greatest honor a poet can ever have
For someone else to memorize your work
to photocopy it
Put it in his or her wallet
Hang it on the fridge

Heaven and Hell

A man gets a chance to tour both Heaven and Hell before making his decision where to spend eternity. Heaven is beautiful, streets of gold, huge mansions, the whole bit.

Hell is a full on party with gorgeous women, drinking and dancing. When the man gets a chance to make his choice, he says, "I'm going to go with hell." The man takes the elevator all the way down, the doors open, and fire rages. People are screaming in pain.

Satan is laughing, "This isn't the hell I saw earlier" (the man says), "That was the campaign" (Satan tells him). "But today was the election" (Satan tells him).

Heaven and Hell.
I have to be especially careful not to ask any illegal questions during the interview such as God's age, what religion God is. I wonder if God will tell us that the misspelled word the misplaced comma, the stray bullet, the school bus plunging off the side of the road were all part of God's plan. The interview with God.
THE WRITER

Every writer measures his writings by comparing his writings to the work of other writers. He measures the virtues of other writers by their performance. Every writer asks that other writers measure him by what he conjectured or planned. A writer is unfair to himself when he is unable to be hard on himself. This frame of mind enables the writer to excel at what he loves to do.
RAISING MY DAUGHTER

I HAVE NO WAY OF KNOWING WHAT IT'S REALLY LIKE TO BE MY DAUGHTER. SHE SEEMS TO HAVE A VIVID AND PROFOUNDED UNDERSTANDING OF HOW THE WORLD WORKS. SHE SEES ART IN EVERYTHING. SHE ALSO FORGETS TO EAT, PUT LAUNDRY AWAY, OR DO HER HOMEWORK.

I BALANCE MY ATTEMPTS TO HONOR WHO SHE IS IF I DON'T CONSTANTLY PROD HER SHE'LL MISS OUT ON OPPORTUNITIES AVAILABLE TO STUDENTS WHO FOLLOW THE RULES, MANAGE THEIR TIME WELL, AND GET GOOD GRADES.

TWINS

WHEN YOU HAVE TWINS
THE NIGHTS ARE ALMOST AS LONG AS THE DAYS
OUR TWINS DO NOT SLEEP FOR MORE THAN 40 MINUTES
FRIENDS ASSURED US IT WOULD GET EASIER
AFTER THE FIRST 3 MONTHS
THAT TIME HAS COME AND GONE
WITH NO NOTICEABLE CHANGE
WHEN MY WIFE LEAVES FOR WORK
I HOLD MY TWINS
AS MY FRUSTRATION GROWS
AS THEY CRY NON-STOP
I CONTEMPLATE TAKING THE TWIN SHOPPING
AT THE MALL MY 2 BOYS ATTRACT A LOT OF ATTENTION
STRANGERS APPROACH OUR STROLLER
"ARE THEY TWINS"
THEY WILL ALWAYS HAVE EACH OTHER TO PLAY WITH
WHAT GETS ME THROUGH THE NEXT 7 HOURS
UNTIL MY WIFE COMES HOME
IS A COMMENT FROM A MOTHER OF OLDER TWINS
"YOUR DOING GREAT"

WHO COULD THIS BUM HAVE BECOME?

As we and my wife prepare to enter our favorite restaurant, we see a bum laying on the side of the restaurant, smelling like urine. Singing his songs, muttering naughty comments that made us smile. What if this bum had not broke under life's pressures. Who could this bum have become?

I share this thought with my wife who gave me a look that mingled pity with disgust. It seemed it might be wise to keep my thoughts to myself.

After our full course dinner was over, we put some leftovers in a bag and gave them to the bum. As we exited the restaurant, the bum was reciting Shakespeare and talking in 3 different languages. Then out of nowhere he drops his pants and takes a "shit" on the sidewalk while eating with no toilet paper to wipe himself. Me and my wife looked at him with pity and disgust, which is not easy for us. What if the bum had not broke under life's pressure. Who could this bum have become?
Perfect Love

When lost in the dark
Our love ignites a spark and light
On life's winter night
Our love produces heart and flames
Our unconditional love is in harmony
Two souls one and the same
Five months and counting
Our hearts and love for each other
Grow that much stronger
During those winter nights
As we wait for dawn's light
We realize how blessed we are to
Have unconditional love
Our love lights our path in life
Perfect love we have found
Revenge

We live in a world where everyone wants revenge. Individuals nurse their grudges, nations pursue their historical claims, our culture teaches revenge: Eye for an eye.

Revenge is associated with bravery. Forgiveness is for the timid.

Our justice system is about revenge and reform. The state seeks revenge on behalf of victims.

An execution is about revenge. Does killing a killer make anymore sense than raping a rapist or robbing a thief?
Forgiveness

Revenge does not give people the closure they hope for. It inflicts new wounds. 

Forgiveness is the only way to find closure. To forgive is harder to do. It takes more courage than seeking revenge. Only by forgiving those who wronged you can you move past it.

Wood is becoming obsolete

Paper will be obsolete

Emails will be sent

Phones are now mobile

Writing tablets are electronic

Plastic will replace paper plates and cups

Metallic tables and chairs

Will take the place of wooden ones

Most doors will be made of glass

Homes will be constructed out of brick, stone, and steel

MY PROTECTIVE TREE

I have a protective tree
My tree provides shade
On hot summer days
And a ladder to the sky for my mind
I pick fruit from one branch
Friendship from another
We take care of each other
I give it water for life
It keeps me cool in the shade
On those hot summer days
My protective tree
It brings me real contentment
DON'T JUDGE ME
OPEN YOUR EYES TELL ME WHAT YOU SEE
DO YOU KNOW ME TRULY
AM I WHO YOU WANT TO BE
SOME JUDGE ME BECAUSE MY SKIN IS LIGHTER THAN THEIRS
SOME JUDGE ME BECAUSE MY INTELLECTUAL IS GREATER THAN THEIRS
DO WE DESERVE YOUR RIDICULE FOR NOT FITTING YOUR STEREOTYPE?
MY HEAD IS WORTHY OF CROWNING
DON'T JUDGE ME
I DESERVE THE SAME COURTESY YOU SHOW OTHERS
I AM A VOICE STRAINING TO BE HEARD
DON'T JUDGE ME
FORGIVE ME IF I REFUSE TO KISS YOUR ASS
I CHOOSE TO RISE BEFORE YOU SO OUR EYES CAN MEET
DON'T JUDGE ME
I WAS JUST SHUT UP, LISTEN AND ANALYZE
JUDGEMENT IS FOR GOD ONLY
SUNRISE AND SUNSET
THE DAY HAS JUST BEGUN
RAISE UP FROM OUR SLEEP
STAND UP FROM OUR FALL
GREET MY WIFE
THE NIGHT COLD WEATHER IS THROUGH
AS IS THE DARKNESS, THEIR EMPTINESS WE ALL KNOW
WORK AND MY DUTY AS A HUSBAND CALLS
AS THE SUN RAY BEAMS ON ME
CRIMSON BEAMS, BEACONS OF WARMTH ACROSS THE WORLD
FUN AND PROGRESS
UNTIL WE ALL REALIZE AND WITNESS
EVENING AND SUNSETS EVENTUALLY COMING
You must strive.

In each life sure pain must fall,
sure joy must rise.
We must endure it all
as a rite of passage.
A token for the fare
even though the price is pretty heavy.
We must continue to strive.

Sunny days sometimes fade,
Rainy days sometimes occur.
Turn your eyes to heaven's gate,
Await the rebirth of light.
The sky is a diamond field of wonder
which sometimes produces thunder.

But still you must strive.
