PATHS

All paths are the same by appearance
They lead somewhere in your life
They are paths going through life's ups and downs
There are paths going into the good life
Do these paths have a heart
There is a path of good deeds and faith
There is a path of bad deeds and faith
Both paths lead somewhere
One has a heart, the other doesn't
One will make for a joyful journey
The other will make you curse your life
One will make you strong
The other will weaken you
Following the correct or incorrect path
Will determine if you win or lose
THE MIND

THE MIND IS CHAINLESS
NO ONE CAN BIND IT
MY BODY IS CONFINED
BUT MY MIND IS AS FREE AS THE AIR
RECALL A TIME WHEN YOUR FIRST SMILE WAS LIFTED
THOSE TIMES YOU NOW ADORE
FREE TO RELIVE THE HAPPINESS OF DAYS LONG GONE
I AM NOT THE HAIR
I AM NOT THE SKIN
I AM THE MIND THAT LIVES WITHIN
THE MIND IS OUR FREEDOM
OUR CURE FOR ALL PAIN
New Year, Same Story

Tiger tiger, burning bright
In the jungles of the New York night
In the mud of memory I stood at my window
And watched the coming and goings
Cars, buses, men, and woman with some destination
In mind on this New Year's eve
My life is connected to their lives
In ways I cannot fully comprehend
West 42nd and Times Square my friend
Millions and millions flock here every night
The biggest of cities, the brightest of lights
The center of the world
Especially on this night; New Year's eve
Every year on this night
Brings the same old big parties
Young people from all over the world
Amazed by the energy and extravaganza
Those young people were me 20 years ago
But now I am comfortable with
Life's stability with earth's unchangeableness
What is new is only new to the young
FIRST LOVE

I remember what it felt like to make love to my first girlfriend to be inside her to feel her breast on my young lips that scene has stayed with me ever since I'll confess I don't know what to do with it I will always love her our souls will melt together in ancient eternity as happiness unfaded
THE MIRROR OF PAIN AND GROWTH

As I look in the mirror, I see what I've become. I realize something that has been well-hidden, my true self. As I finally start to put together the puzzle that is my life, I find much to be impressed with on the inside and outside.

That innocence, great looks, mental and spiritual strength, unlimited potential for growth is quite obvious once you look back and find you cannot continue on the path you've created for yourself. There is only one solution. Turn around and face the mirror. Face the responsibilities that you ran from in the beginning.

The mission is to stop the pain you caused yourself as well as your friends and family. This is the hardest part of the entire journey. There are two kinds of pain. In every rebuilding story, bad pain can destroy and demolish everything it touches. Good pain can heal and mend everything you have broken.

In the end, it all comes down to who you see on the other side of the mirror. And if you want that reflection to grow productively into its full potential.
THE GOLDEN AGE

WHEN WILL THE GOLDEN AGE EMERGE
WHEN MANKIND REALIZES THERE IS NOTHING UNSACRED
WHEN INDIVIDUALLY AND COLLECTIVELY WE UNDERSTAND
THAT EVERY SENSE, EMOTION AND THOUGHT IS NOT TO BE CONTROLLED
BUT EMBRACED, SUBLIMED AND TRANSFORMED
THOUSANDS OF CANDLES CAN BE LIGHTED FROM A SINGLE CANDLE
THE LIGHT OF THAT ONE SINGLE CANDLE WILL NOT BE SHORTENED
HAPPINESS NEVER DECREASES BY BEING SHARED
LIKE THE PRODIGAL SON AWAKENING TO HIS OWN POTENTIAL
WHEN WE COME INTO THE RECOGNITION OF OUR PERFECT HOLINESS
THEN AND ONLY THEN WILL THE DAWN OF THE GOLDEN AGE EMERGE
CONTROL THE SOUL

EXERT CONTROL OVER THE SOUL

REALIZE THAT DISTORTED VIEWS HAVE BEEN CONDITIONED IN US

STOP THOSE THOUGHT DISTORTIONS

REPROGRAM OUR PATTERNS OF THINKING

MAKE RATIONAL AND GOOD CHOICES

THE SECRET OF HAPPINESS IS NOT DOING WHAT ONE LIKES TO

BUT IN DOING WHAT ONE HAS TO DO

IT IS A PROVED FACT THAT DUTY IS GOD

NOW START DOING YOUR DUTY

THE MINIMUM QUALIFICATIONS FOR ENHANCING THE SOUL

ARE THE COMPLETE SURRENDER OF ONE'S EGO

THE TREASURE THAT IS PRECIOUS IS THE QUALITY

OF EVEN MINDEDNESS IN ALL SITUATIONS

 THE JOY OF BEING THE MASTER OF SENSES

IS FAR GREATER THAN BEING THEIR SLAVE

YOUR PROGRESS IS REFLECTED IN A GOOD SOUL

YOUR DECLINE IS REFLECTED IN A BAD UNHEALTHY SOUL

THE MIRROR OF LIFE JUST REFLECTS

IT HAS NO PARTIALITY OR PREJUDICE

YOUR SOUL MUST BE TRANSPARENT LIKE GLASS

WITH SPIRITUAL LIGHT WITHIN ILLUMINATING THE WHOLE WORLD
THE GOOD POET

The good poet knows the flow of poetry is its own master. Poetry does not care what the poet intends. Any poet who thinks that one can control the flow of poetry just creates bad poetry. If you ever been in a flood, you know that water does what water wants. The same can be said of poetry. Creativity is not passive. It is a process of relinquishment. Relinquishment demands the poet to let things become and then to let that same becoming go. Under score poetry and allowing it to dictate its own path is always and ultimately important and never precious to the good poet.
Security

Security does not mean you need to be super rich.
Security means your car will start the first time.
Security means having a job that won't be eliminated.
Security means being able to buy all of food at the store.
Security means living in a safe neighborhood.
Security means being able to save money for retirement.
Security means not having to rely solely on Social Security.
Security means being able to go to the doctor if you get sick.
Security means having enough money to pay for your peeps.
Security does not mean you need to be super rich.
I have never been a big fan of suits. Suits are stiff, hot, and uncomfortable. My aversion towards suits has grown stronger. Politicians which are liars in suits seek hidden agendas.

Clergymen in suits try to guilt you to give them your hard earned money to line their pockets.

District Attorneys and the police wear suits when trying to get a conviction at any cost.

Business executives in the most expensive suits clamor for our accolades.

Self glorifying people wrapped up in gigantic egos who measure their self worth by looking good. We wear suits to weddings as a matter of vanity.

I'm now wearing another suit - a prison inmate suit. A costume is something that you put on. You pretend that you are what you are wearing. A suit reminds you that you are, in fact, what you wear.

Hopefully within the next few years I will put on a suit as a successful citizen. Who am I kidding? Suits suck.

Give me a pair of faded jeans and an Oakland Raiders jersey.
PETS

Pets have their own personalities. Most pets and their owners have taken beatings in life. Owners from the world and life pets from some vicious and cruel past owner. I've been blessed with the privilege to share in the lives of a wide range of creatures. From fish to birds, reptiles to rodents, cats and dogs. I have loved them all and consider them my friends. When life becomes difficult, I turn to my pet for genuine comfort. They never judge me nor I them. They don't have any expectations of me other than to love and care for them. Animals are instinctual creatures. They are loyal, forgiving, and love unconditionally. Human beings on the other hand are guided by their insatiable egos. Love your pets the way they certainly love you. Treat them as your friends. That is exactly what they are; our friends. Maybe in their world, we are their favorite pets.
THE MOUNTAIN

THE MOUNTAIN IS THE REFLECTION OF ULTIMATE REALITY
A WORLD THAT MIRRORS MIND
CONSCIOUSNESS REFLECTING BACK UPON ITSELF
INFINITE SKY REACHING TOWARDS THE HEAVENS
PIERCING THE SKY AS IF IT WERE THE VEIL OF ILLUSION
PENETRATING, RISING ABOVE, REFLECTING BELOW
CONSCIOUSNESS AND UNCONSCIOUSNESS MERGE INTO BETWEEN
BLISTERED WITH BEAUTY
THE MAJESTY OF THE MOUNTAIN STANDS ON ITS OWN
COMPLETE AND TOTAL, IT LACKS NOTHING, IT JUST IS
THE MOUNTAIN HAS EXISTED FOR EONS
AN ARTIFACT OF TIME
A GEOLOGICAL WONDER, A MANIFESTATION OF EARTH
AGELESS AND TIMELESS IT STANDS STILL
A CREATION OF EARTH AND AN EARTH UNTO ITSELF
SELF-CONTAINED AND YET WITH AN ECOLOGY OF ITS OWN
A MONUMENT TO EXISTENCE, ITS PURPOSE IS CLEAR
AS THE MOUNTAIN IS REFLECTED IN THE WATER BELOW
ITS MEANING FOR US TO REFLECT ABOVE THE WATER BELOW
Journey Without Distance

A journey without distance represent the spiritual journey like footprints in the sand. We don't see where the footsteps begin or end. This is a journey without beginning or end. This is a journey without distance. The footprints simply represent the movement of time. There is no place you can go that you are not over there becomes here in just a few footsteps. Yet, the journey continues. It's a journey without distance. The seeker is what is sought. Seeking leads to more seeking. What is sought is never found. There have been seekers since the beginning of time. Where are the finders? Did they get lost in time? This journey seems endless. Where does it end, it ends where it began? A question in time. The footprints remind me of where I've been. It all began in the beginning but has no ending. A journey without distance.
Redemption

If we were not meant to make mistakes
How are we to learn the correct path
So I fell and got up from my fall
Learning why I fell in order to not fall again
History repeats itself in cycles
Because we never learn the painful lessons of life
No force can change you against your will
Except for the force of love
Love thy neighbor as thyself
This is the antidote to all our troubles in life
The cure is not outside of us
But rather inside of us
To all those good souls that we have caused pain
We are obligated to make amends before
We leave this physical world
Do not use external things to justify delaying
This transformation of one’s self
Follow my path to redemption

FAITH

Even in the coldness of life's many trials and tribulations to realize we are not alone in life's many obstacles. Faith's inner voice says I love you and I will never leave you no matter what life appears to hand over to us.

Faith encourages us to continue on despite our many failures along life's path. Faith allows us to have the strength to continue on by putting one foot in front of the other.

Faith allows us to feel worth in the midst of life's cold journey. Faith allows us to make it through and to share our faith with others along the way.

May God bless us all that have faith.
WHAT IS THE VIEW OF LIFE
WHAT WE SEE INFORMS OUR PERSPECTIVE ON THE WORLD
VIEW MEANS MORE THAN JUST WHAT YOU CAN SEE
VIEWS CAN BE YOUR OUTLOOK ON LIFE
VIEWS CAN BE POLITICAL OPINIONS, RELIGIOUS OR SPIRITUAL THOUGHTS
ANYTHING CAN BE PART OF YOUR VIEW
THE PICTURE I HOLD ABOUT MYSELF AND THE HUMAN RACE
ALLOWS ME TO BECOME MORE FREE
THE GRAND CANYON IS A MAJESTIC SIGHT
IT IS LARGE AND CLOSE TO INDESCRIBABLE
IT MAKES US AS HUMANS FEEL SMALL
FEELING SMALL DOES NOT DIMINISH US IN ANY WAY
IN FACT FEELING SMALL TAKES THE WEIGHT
OF THE WORLD OFF OUR SHOULDERS
I AM A PART OF THIS UNIVERSE WITH ALL OF THE
MIRACULOUS ABILITIES TO EXPERIENCE THE 5 SENSES AT MORE
INFINITE CREATION HELPS SET ME FREE
MY STRATEGY IS TO MAKE THE BEST OUT OF LIFE
YOU, LIKE I AM CITIZENS OF THIS UNIVERSE
THIS LIFE PROVIDE AN OPPORTUNITY FOR SELF-DISCOVERY AND AWE
MAKE SURE NOBODY BLOCKS YOUR VIEW
NIGGA VS. NIGGER

The word NIGGA is old, powerful and infamous.
NIGGA dominates every sentence it's in.
NIGGA makes the words around it cower.
When you use the word NIGGA your making a choice that bold
AGGRESSIVE, BODACIOUS, POSSIBLY REVOLUTIONARY, POSSIBLY REGRESSIVE
IS NIGGA DIFFERENT THAN THE WORD NIGGER
NIGGA GAINS POWER FROM ALL THE PAIN AND BOMBS INSIDE OF NIGGER.
IF NIGGER DIDN'T EXIST, THEN NIGGA WOULDN'T MEAN MUCH
WITHOUT NIGGA, THEN NIGGER WOULD BE IN A GLASS CASE
NIGGA SAYS NEVER FORGET THEY ENSLAVED US, LYNCHED US
RAPED US, INSTALLED US AS THE LOWEST OF THE LOW
NIGGA ALSO TRIES TO BE ABOUT LOVE AND BROTHERHOOD
THERE'S A LITTLE CALLIPLAY HUMOR UP IN NIGGA
SOME OF US HAVE TRIED TO BANG IT AND MAKE IT
PART OF THE COOL POSE
WHITES, HISPANICS AND ASIANS THINK THIS ALLOWS THEM TO USE IT
EVEN IF THEY'VE GOTTEN PERMISSION FROM A FEW BLACK PEOPLE
NIGGER IS FILLED WITH SLAVERY, SEGREGATION, DEGRADATION
HATRED AND THE LIE THAT DARKER SKIN IS A CLOAK OF INFERIORITY
H/IP HOP AND THE EDGEINESS OF BROTHERS ADMITTING TO BEING SCARY
COOLEST THING OUT
NIGGER SYMBOLIZES AND PROPULS RACISM, BUT IS THE WORD RACISM
IF YOU WANT TO USE NIGGA OR NIGGER, DO IT WITH
SURGICAL PRECISION
Dawn to Dusk

April Sky the color of smoke
The dawn comes early and remains dawn until the sun is high
Time and the ordinary divisions of the day are changed
Dawn and dusk are quiet times
There's a remote and cloistered feeling here
At night, the darkness is black
However, you can see a patch of gray and an occasional star
When you look straight up
There's breathing in the black
These huge things that control the day
And inhabit the night are living things
People lacking experience in this environment
Have a feeling of uneasiness here
The uneasiness of being shut in, enclosed, and overwhelmed
The strangeness of the redwoods frightens them
The living world will continue its stately way
Even when we no longer inhabit it
From dawn to dusk
Gods Uncertainty

I've reached a point of uncertainty

The same point at which I started

to console myself, I keep a diary of

my fluctuating relations with God

God made humans in his own image

Adam and Eve were naked

clearly God is a nudist, he wears nothing

our concept of God is feudalism

We use the feudal word "Lord" for the creator

God is the life force that animates the world

There is no old white man in the sky

There is a life force that animates the world

I live in this world uncertainly

I have no idea if my soul will live forever

from a mystical point of view

everything is an aspect of God

The agony of spiritual uncertainty

is one of the beauties of creation

I feel waves of love pouring down on me from above

but to those without faith, there remains

that level of uncertainty
Noise and Silence

Noise is relative to the silence preceding it. Reality is a sound, you have to tune in to it, not just keep yelling. The more absolute the hush, the more shocking the thunderclap.

God is silent, now if only man would shut up the world. Continual breathing is what we hear and call silence.

The silence of the world is my bride. The sweet dark warmth of the whole world is my love. Out of the heart of that dark warmth comes the secret that is heard only in silence.

The world is noisy, messy and full of uncertainty relative to the silence preceding it.
RETURN TO NATURE

Our emotional life revolves around our communication with nature. The human race evolved in nature. From an evolutionary perspective, the urban jungles of the city is not our natural habitat. If anything is going to alter our destructive path, it's a shift in consciousness back to our natural habitat. We must make a connection between our body and mind and the rest of nature as a continuum. Our ideas and philosophies struggle against brute human nature. Nature's force allows us to be slow, deliberate, and meditative. Recognize yourself as a part of nature. Treat nature as you would treat yourself.

LANGUAGE AND IMAGE-MAKING

LANGUAGE STRUCTURES THE MIND
LANGUAGE IS A MATTER OF WORKING ONE WORD AT A TIME
SLOWLY BUILDING A STRUCTURE FOR YOUR IMAGE
EVERY TIME YOU SPEAK, IT CHANGES WHAT CAN COME OUT NEXT
EVERY TIME YOU SPEAK, YOUR IMAGE BECOMES MORE DEFINED
YOU REINFORCE THE ILLUSION OF SEPARATING
YOUR IMAGE FROM ALL OTHERS
OUR THOUGHTS INFLUENCE OUR LANGUAGE
OUR LANGUAGE INFLUENCE OUR IMAGE
THEREFORE THE SOUND AND FLOW OF OUR LANGUAGE
CONSTANTLY CHANGES WHICH MAKES OUR IMAGE AN ART IN PROGRESS

MEDITATION AND LONELINESS

When your meditating, your watching your thoughts. You see them rise out of nothingness and recede into it once you reach this place. You start to miss who you thought you were. The only way to really experience yourself directly is through an empty mind and meditation.
LOS ANGELES

I LIKE THIS LAND OF SUNSHINE, GREAT WOMEN AND BIKINIS
ALL AROUND ME THE YEAR LONG FEEL OF SUMMER
WAS HAVING ITS WAY WITH ME
FROM THE AIR THAT LOOKS LIKE THE CHAMBER OF SMOKE
PUMPING THE CITY’ BLOOD INTO THE OCEAN
THAT STRETCHES ALONG THE CITY’ EDGES
IN THIS SPRAWLING CITY, ONE MIGHT FIND IT DIFFICULT
TO FIGHT THROUGH THE SMOG WHEN SEARCHING FOR
A MOVIE STAR, A NAMELESS GANGBANGER OR ONE OF
A COUNTLESS NUMBER OF YOUNG WANNA-BE ACTORS AND
ACTresses WHO WILL NEVER MAKE IT
SET TO LIVE THE REST OF THEIR LIVES, BITTER
WITH THOUGHTS OF WHAT COULD HAVE BEEN IN
AMERICAS MOST OVERRATED CITY
AMERICAS MOST MiserABLE CITY, YET IT ALSO HAS
AMERICAS MOST BEAUTIFUL PEOPLE AS WELL AS
AMERICAS FAKESIEST PEOPLE
MAYBE ME AND THIS CITY HAD ALWAYS BEEN
WRONG FOR EACH OTHER
HOW COULD ANYONE UNDERSTAND MY HABIT OF GOING
IN THE WRONG DIRECTION IN THIS CITY
I SEEM IMMUNE TO THE USUAL SORTS OF HAPPINESS
I SEEM TO THRIVE ON THE MISTAKES
I MADE IN THIS CITY
HOW ELSE EXPLAIN HOW HAPPY I’VE BECOME
MAYBE THIS CITY WAS NEVER FOR ME OR
MAYBE THIS CITY WAS BUILT FOR ME
NEW YORK CITY

I love this land of skyscrapers, attitudes and 24 hour energy all around me all year long, 24 hour excitement was having its way with me. It is a city of extremes where everything is bigger and faster.

New York City is a 21st century metropolis that is effectively under lock and key ever since 9-11.

It is one of America's oldest cities.

It is America's largest city.

One might find it difficult to fight through all the people on the Subway or the millions of people walking along any given street.

America's most crowded city.

America's greatest city, the real life Gotham.

America's realest people and most unique.

Me and this city have always been right for each other.

The energy and lights of this city inspire me.

It has become a city of profound wealth which continues to push impoverished residents to the margins and beyond.

This is a city by and for plutocrats.

It's a city where Manhattan has effectively become an offshore boutique and Brooklyn that place where strivers once yearned to flee is now where a family cannot afford to move.

The greatest city on earth.

The big apple or rotten apple depending on who you talk to.

This city was built for me.
UNCERTAIN THOUGHTS

As I scratch my head in dream
Then get up and listen till dawn
Hearing each thought appear and disappear
This New Year makes it thirty-seven suddenly gone
Thinking of Life's steady return
It's so easy to forget your thoughts
After a few cups of coffee, my thoughts are far away
I forget the past thirty-six years of sorrow and pain
Ranging to the limit of this morning's joy
It isn't tomorrow I'm looking for
All this means something, something absolute
Whenever I start to explain it
I forget my thoughts altogether
TEARS

When I see you cry
I say to myself
Don't you give in to defeat
Take a deep breathe
A good cry is sometimes needed
Not all tears are harmful
Tears come from sadness and joy
But tears originate from memories
Tears hold memories each time they fall
Allow yourself to release some pain
There's sunshine after the rain

MANIPULATION AND CAPITALISM

MANIPULATION IS FORCING YOUR IDEAS OF WHAT IS NORMAL AND SHOULD BE ACCEPTED UPON PEOPLE WHO DO NOT SHARE YOUR OPINIONS. THIS IS A MOCKERY OF JUSTICE, FREE THINKING, AND SPIRITS INNOCENT THROUGH VIOLENCE AGAINST PEOPLE WHO ENJOY THEIR LIVES DIFFERENTLY.

ORDERING THEIR SOLDIERS TO SHED BLOOD, SWEAT, AND TEARS IN THE NAME OF AN AGENDA CALLED CAPITALISM.

Bribes, Excessive Sentences, and Political Oppression;

All in the name of an agenda called Capitalism.

KILLINGS ORDERED BY REMOTE CONTROL DRONES.

DEALS CUT BEHIND CLOSED DOORS, WHICH NEGATIVELY IMPACT MILLIONS.

GOVERNMENT SECRECY.

THE INGREDIENTS ARE RIPE.

THE HEAT AND PRESSURE IS ON MANIPULATION.

ALL IN THE NAME OF AN AGENDA CALLED CAPITALISM.
LADDER OF SUCCESS

Success is a favorable or desired outcome.
Success is gaining wealth and fame.
Success is ambiguous and open to interpretation.
When you push forward in life, that's success.
When you make an effort and are diligent,
that's success.
If you have struggled through life's obstacles
but are now starting to comprehend the remedy
to life's problems,
that's success.
If you are staying strong in all possible aspects
of life and refuse to lose hope,
that's success.
The ladder of success doesn't care who climbs it
as long as you keep climbing and don't jump off.
THE BATTLE AGAINST DARKNESS

The battle that most of us fear is an unnatural darkness that deprives us of all senses. We utilize our senses to the rest of our abilities. Our senses tells us to reflect or reject any and all forms of moral and emotional interaction. To sense any sort of emotion or be conscious on any level means that we are not dead to exist and live means that we must be willing to learn in this era of social media we sometime fail to see our reflection in this sometimes dark existence and allow this dark world to consume them.

I say sweet dreams and have a warm dark night to those that continue to strive despite this dark force and continue to defy society's cruel neglect.

I salute your courage and absolute success.
**Success - Part 2**

If accomplishments is how you define success then I am successful. Many see overcoming their doubts and their fears as success. I'm able to honestly say I've done my very best. Our greatest weaknesses and our greatest strengths are one in the same. I've learned humility and I've learned how to forgive and be forgiven. I've learned how to be at peace with myself. My weaknesses can now teach me that I also have strengths. I have learned how to control my desires and to do what I want to do when I want to do it. I am free in all aspects of my soul. I am a success.
Success - Part 3

I measure my success by how well I maintain my integrity and high standards.
I find humor in my everyday life.
In my own self-importance.

Those of us in prison can turn our lives around by re-inventing ourselves.
Success in life depends on setting priorities and sticking to them the best we can.
Success allows you to focus on the present moment.
Success allows us to ignore ignorant provocative remarks.
Success allows us to be patient, considerate and self-controlled for the long-term.
Success happens little by little.
Some days are more successful than others.
Each day brings a new opportunity for success.
As we get older the games we play become more serious and complex. We must learn to forget the basic rules of these games. The basic rules of life should be insignificant. Basic rules maintain the balance and the fairness to us all. However, in this ever-changing world, the rules in life's game of chess are constantly changing. Which should remind us that life's basic rules might not be basic a year from now.

In life's game of chess, we might not always get the piece of the board we want. But as long as we keep up the dice and roll again, we will continue to move forward. There is no basic formula to defeating your opponent; then you make the necessary adjustments to win this battle.

That's why society's basic rules of life are insignificant in life's game of chess.
THE POOR

We are the poor
We have no special belonging or wealthy lifestyles
Look at the kids
How can your heart not be swept away by their
Pure innocence and enduring strength
I keep them close in my heart
They need not know of the struggle
That has brought them to this point
They have no overbearing desire to be materially
More than they are
They have each other
They have me
They chose to have this life just as it is
We may be poor in belongings
We have limitless riches
Found only in each other
We are family, we are strong
We are the poor
IT'S YOUR CALL

I am quite critical when it comes to viewing life. What we perceive to be one thing may look quite opposite to someone else, even though we are both seeing the same thing from the same angle. We look at life in our own unique ways that will determine how well we cope with our situation.

When the glass is either half full or half empty, only you can decide which one it is.

We need to clean our mental cells before observing the endless possibilities that life offers.

We need to be more observant and less preoccupied with things we cannot control.

How do you view your situation?

Do you see beyond now?

It's all about perspective.

We have the power to reach for the stars or fall into the vastness of despair.

It's your call.
OFFSPRINGS OF GOD AND THE DEVIL

Most people believe God and the devil are constantly fighting. Upon closer observation, you realize all the chaos is a complex courtship.
In reality, the gods and devil are making love. From this union comes the human race. On rainy days, smiles are no longer apart of the forecast because the devil is at play.
If I told you this force was beautiful, you wouldn't believe me.
Darkness is not nothingness. It is something directly related to light.
The devil is not ugly. It is something directly related to God.

God and the devil's relationship has its place on life's spectrum.
We are the only beings on this planet who think there is something other than God and his light.

Somewhere between God's angelic manifestation and the devil's demonic possession is balance. This balance and all forms of union are mini-symbols of the ultimate union between God and the devil. We as humans are the offsprings of this ultimate union.
GIRLS CAN FIGHT

She wants to shut those morons up
She loves the feeling of walking down the street
And not feeling afraid
She is a mother
She will kill for her children
She couldn't fight as a child, so she didn't
She taught herself to fight
She now has mastery over her body
She has a feeling most women don't have
She is rare like a diamond
She has pressured and challenged herself
to be the most beautiful thing she could think of
She will physically destroy anybody who dares challenge her magnificence
Fighting does not cure pain and loss
It brings math to chaos
It makes our struggles less painful and important
Hitting someone feels good to her
She spars with men
The public perception of female fighters is changing
The public particularly men now realize
Girls can fight
LIVE FOR THE MONEY
MEN WILL FIGHT FOR IT
WRITE FOR IT
FIGHT FOR IT
DIE FOR IT
DO ANYTHING FOR IT
LIVE FOR THE MONEY
ALMOST EVERYTHING IS FOR SALE
ONE THING MONEY CANNOT BUY IS HAPPINESS AND TRUE LOVE
LIVE FOR THE MONEY
BUT AT WHAT COSTS?
Love Starts With Me

Start With Me
In a world where harsh judgment of others seems to be the rule,
It's good to remember that love starts with us.
What a difference we'll make if when we look at others we say
Love start with me.
The secret of happiness is not getting material things that we don't need,
But giving our hearts away,
Giving our lives away,
Giving ourselves away
In the name of love.
A heart that is focused on loving others
Will not be consumed with selfish wants.
A healthy heart beats with love.
Love starts with me.
A CLEAN HEART

REACHING OUR FULL POTENTIAL BEGINS WITH A CLEAN HEART. THE HEART IS DECEITFUL AND INCLINED TOWARDS WICKEDNESS. PLEASING SELF IS MAN'S NORMAL STATE. SALVATION CHANGES OUR HEARTS. WE WILL ONLY REALIZE OUR TRUE POTENTIAL WITH A CLEAN HEART.

A GREAT WAY TO MAINTAIN A CLEAN HEART IS BY MEDITATING. THE HEART REPRESENTS THE SEAT OF OUR MIND, WILL AND EMOTIONS. WHEN WE STRIVE TO KEEP IT PURE, WE KEEP OUR HEARTS CLEAN.
