GOOD NAME

A good name is better than playing a good game.
For some, one to like you is worth more than a gold chain.
Even if you rich or poor you should be nine just the same.

If you see evil or bad you should hide from such a thing
because if you don't you can cause yourself pain.
Fear what's not right cause wrong will leave a stain.

If you do wrong and hurt someone you should change.
Help someone with a wheelchair or cane.

Be yourself. It's ok to be different or strange.
Give to the poor if you have space change.
Don't listen to a lie cause they will mess with your brain.

Don't be mean cause someone else acts mean.

For flowers to grow it has to rain.
For you to grow you have to learn to true things.
