I see icy ISIS twice as Mastercards priceless diamond rings
Type this crisis down took jewels Hypist cycling
Social network blings, Facebook pages swing, live act like this
Scene silents the movie thing, righteous side kick
Licensed to open gates to vertex points pointed to appointed
Jews, saliva anointed you so certain joints search a clue next
Life, lightest bones break leggings of medieval armor tight,
Turf grass green then seen the ocean blue, at night knights
Fights, site like old dunes unite right at the alters view to bless the
Ki/11 Energies enter the dome of the rock vividly, vicinity inch in
Inward instantly hissin' at snakes shakin' paper that doesn't exist
So divided evenly as if dividends speak English eagerly "money?"
Spoke evil, empty as tombs robbed to call in deacons dummy, run in
With the cops sounds funny, nothing can destroy lovely, hug these bars
If your trapped behind 'em, line them up purposely to bring back mummy's, somebody
Coming closely summoned a sudden suction numbing to the
King to punish me... nope, cop in out the problems, I'll tell
You them since ya worried 'bout it, nodding at the royal cup,
Spilled spoiled oil for the envious, that's drivin' me nuts
Boiled up, I had it up to here with ya Jip, ya at the
Entrance when I hoped out vicious, spinin' like a merry-go-round
That starts but never ends when Tin Tin's adventure begins
Shatter shins, matter of kids born again in the kingdom of
Samarkand, some markin' chatrooms chatter 'dem gals out for fun
talkin' sharks in the pool often resurrected coffins, there stalkin'
Boundary line drawn, postin' postage stamps like food eatin', eight ball
Rolls to the left pocket, lock I ton like please I need ya tray dude!
May fool lots of peeps but when the bird chirps it's we who win sin soon
FUJIN MOVIN' THE CROSSBOW INTO A TORNADO, FATAL IT SEEMS
Makin' A SCENE, BREAK YOU, FORMATION OF FIST TO FIST
COMBAT, YA KARMA'S BACKED UP-N-BAK CONSIDERED, FILTERED WATER
SWARMIN' THE CURRENT DATE IN HISTORY A VICTORY FOR MIDWAY
CLASHIN' A VENTURE, A HEALING TINCTURE INSETED AT VERTED
HAND CASTS AT LAST I HAVE IT DOWN PACKED, SOUNDS THAT CONFUREN-WORD
YONDER-N-PLAY THAT, "MAGIC?" IT MIGHT WORK, MY AMBITION
BLITZED INTERNET PHISHIN' ACCOUNTS MUST BE PISSED OFF THE OTHER
END, THEM PEOPLE ACROSS THE WORLD, TOSSTH DIGI POSH SPAICE
UNITHE HER TO CD LABELS TO MASS MARKET, PASS CARPETS FOR THEM
BITCHS, WALK STRAIGHT HARLOT! RESPECT THE BIBLE TERMS, HEADS TO
THE SIDE CONFUSED LIKE Jarvis, WHO GOT YEARS BEHIND BARS, STUCK LIKE A
WORM IN THE GROUND, DUG SLUDGE FROM MY GRIM SHOWN NOTHIN' BUT
HATRED-N-TAKIN' VOWS MASON NOW A QUEST TESTIN' THOSE BYSTANDARDS
MY STANDARD IS EXTREME BLESSIN' THE THRONE ROOM, THROW YOU
IN THE PITS OF SATAN FOR NOT PAYIN' THOSE DUES, OVAL VIEW OF SPECTRUMED
CRITICAL DIMENSIONS LESSIN' THE DENSITY OF INFINITY TO BLOW YOU OFF
THE FACE OF LESSER-N-HIGHER GOD NAMES CALLED ON THAT MANIFESTED YA
PHYSICAL COMPOUND, STOMP TO POP UP WITH A FORBIDDEN STAFF I'LL OBTAIN
IN THE NEXT ROUND, NOW YOU'LL BE QUIET OR SHUT THE HELL UP, BELL'S YOUR HEAL
WHEN YOU WAKEUP, NEW COUNTRY OVER SEAS MADE UP, MY BED GET
ME THAT GOOD SLEEP, HOODED AS I'M ROAMIN' THROUGH ROMAN TEXT LIKE ASSASSINS
CREEP SO PASSIN' ME IS IMPOSSIBLE, DROPPIN' YOU IS OBSCENE, LOCKIN' TWO JES
AROUND AN AREA THAT'S BIDIN' A FAREWELL TO THE LORD DYEIN', TOTAL
PROPS TO THAT MAN WE LOVE SO THIS STATEMENT IS VIVID AS ANY DREAM,
THERE IS A GOD THAT DID IT ALL FOR US, AND HE ASCENDED AND LENDED A HAND
TO THE CHILDREN OF LIGHT WHEN I BATTLED THE DARK FORCES THAT THINK THEY CAN, UP TO THE HOLY THAT STANDS IN THE MIDST OF THE HOLY LAND

I'll breakdown a pound as if a car doesn't start
Then put it together for the street ride, from the heart
Drum the stars out the sky-n-divid numerals apart
Straight stack cash fast but have her ass move at a slow rate
No cake then no date, she's big so fake with no name
But I'll flow away, raps, throw away raps "Nah!" Blaze then
Smoke a Jay, nap sleep, wake up "Haze", didn't wake up for days

I woke up to day in jail, fake thugs never been a day in jail but, you'll panic
If your in my place, get off myspace before it's too late, do say hey to the
24/7 internet fiends interconnecting to the ownage saint, peace I'm with away
Force this pen to make an epic, porcelain dolls in a house orphanage footage
Foot soldiers, hitch rides switch knives to switch blades that a barbie girl

Temperature of plastic toys at zero kelvin, blood of people, Nero kill them old
Novelty collection, inspection held the mass of people together let them roll
Render render to bend her at a certain angle, Ram's future never in future
Rama's tended love and care, first to Miggle, ask then truth or dare,
Do you have furry angel wing? Still on a hunt to tame you from sin
Or then to hang you from limb to limb, mad at lib's said from sense making sense out of it instead sent to heavens gate cult bolted in like bike pegs
Installed to get drunk "Nice keg", all the way down at the end of the road, is where you will be lead, books open read the story, fleo away like the never ending story, fluffy dog flies into an airport and lands on its belly not the movie silly cat, feel me though rats in sewers so don't switch tricks like a Playboy bitch hitchen' and when on top of my head, you can rub me though blunt, burn it slow, but the ball next time cough me to throw away fast -get the stock boy in boys
One but on a strike three note, in baseball swings broke bats, throw that sack of haver over here if you want it when it comes to those hustles, much of you is spit at like the rap battle game for that

Rippin' ribbits from Kermit the Frog rappin', passed out from matchin' a blunt, a blackout happens, de-toxin' to take out the toxins in an autopsylab. Its obscene. The carbon-dioxide that's trapped makes ya breathe in, stopped after the procuoures. Occurs the cops talk like an arrest warrant the rest are warned. A gun to the chest while a vest's worn, a nest moved like a wasp swarm so hold on to your intestines that's torn from ya stomach, to let move inside us as ya flipped inside out so from Thunder Cats you'll look like skeleton. Ya just endorsed and meta metaphor, a gypsy spitfire, emcee, with spirit force on the course of the bars, stored harm into ya dia phragm. Ya diein' fam better yet ya diein' fast make you lose weight in the game like a diet fast. Shown rolls of green I'll supply the cash for the hitman talkin' blood money. I'll divido yo ass for tryin' that to blast at somebody I'll even hustle Russell Simmons while you still stuck as a gimmick sounds like Thunders spitfire if you ever wonder switchs, my rap pages are up to rippin' any battle rapper. Thinkin' there as gifted better wait for Christmas to get this sick spt. I hold the flow. It's a water dam fluid fluent watered down whole ocean gets corroded from an open explosion older days as time passed, one word can ignite a fight. Oh tonight when the mood is right my life shines throw a triangular prism like light reflect that beam off a mirror so it shines and sparkles clearer in sight I work out Wars just like I work out my raps in a lab it is on point and sharp. I'll find an exercise of practice to stab any opponent chosen to relieve again I'm graded with an u/ knowledge of a sage fast as I run laps ran away like out the way. No impasse this empath to read the syntax of your feelings I'll skip past and rip half ya wig back like rogan needed ya hot headed hairless. You got mistakes careless turn around and stare quick I'll jump out a car with a bat and swing stabs while it's in hand picture that my arms swingin' back too a bitch smack without lackin' strenght by surprise like taken aback. Takin' a bat too smash pottery exact. Correctly formed. Any one of the norm will brain storm the main point of the story of that act.
