BIG, BOOty CAULASION (Poetic electricity)

Cluster of competition for the african
American persuation (Butt CAULASION)
Don't be afraid to represent your a**
You're the Black Man's desires (yes and you will get)
You're built just like, the African Queen,
Flaunt your stuff.

Don't get into a rush
Take your time, wear those jeans, right,
It's the Brown skinned, follow's secret.
WeaPor

If you want to win you a Black Stallion;
(Heart) I'm talking about a stude
Like me) Then, you're going to have
to let the Booty go free.

Listen to me
Stop trying to hide your curves(s)
White goodie's you'll get
Some另e(ery)

The Black Man work up his courage to
Approach you when you show him you know
What your Booty is supposed
To do.

Stop pulling down your shirt, trying to cover
Your butt (It's okay to flirt)
This is why you haven't attracted one

Hello Red Head

America doesn't have enough of you, no — it is true.

You stick to your man like glue (poetic one)

You're like fire (not every man's desire)

You're full of (and you simply amaze)

You're sweet

Most men don't understand you!

You're freaky! (but neatly)

You like it in all places

And you enjoy all races

Very loyal

(Some are spoiled):

You've got that ability to understand a man this is

Why they run

And you know how to smile

And, have fun!

And you can go long periods of time without

Getting none — (smile)

You're faithful and true

Not easily provoked

With adventurous, spontaneous, optimistic

And flexible, not to mention highly sexual.

(I would love to correspond with you)

You don't need experience

What we experience is limited
What we have not is (unlimited)

If we wish to be free,
And experience its divinity
We must act without experience
Not without our wisdom, but,
Our greatest achievement in life
Will be full-filled when we just do,

If it's (nothing new),
When we just do we act apart
From fear it's when we allow
Majesty without feeling assured
Awe (going against what we heard)
Moments of excitement (adventure)
Admiration and adventure is
Premised within the art of doing.

You're waiting on a feeling, a
Knowing, capability proof
That you cannot fail.
(There is none)
But, dear heart you've already
Failed waiting on a feeling.

Breaking the Chains (Poetry)

Freedome at phenomenal price
Astronomical it's nothing comical
Especially those in which are harmful
So you find yourself addicted to one man.

Now that he is long gone,
To settle for this misery you really would be wrong.

Find new friends your thoughts of him won't last long,
But to sit at home looking at his house,
Looking out the window,
Staring at the future,
Hoping he will return,
Checking your e-mails for frail,
From this bondage you must release!!!
Except if you've been burned,
Most of it you earned.

You ignored the signals, you saw the way he looked at your behind.
His eyes were always on your breast,
And chest, but still you wanted to invest.
If you don't break the chain of regret, you're going to be done a mess.
The feeling of what once was is hanging around
Because you allow it to.
Do yourself a favor and let him be, for him it was just sex!
Get it off your chest, it's not worth the stress!
THE WOMAN WHO'S BODY I WANT TO KISS (POETRY)

O. THE EXCITEMENT AND FANTASY I ADMIRE TO KISS YOU ALL OVER.
IT MATTES NOT THAT YOU'RE OLDER
THIS ONLY MAKES ME (BOLDER!)
I WANNA KISS YOUR FEET, BUT THIS WE MUST KEEP DISCREET; OR WHAT ABOUT YOUR FEET??
O'YES, YOUR THIGH(B), OR, YOUR EYE(B)
YOUR BODY MY ZIP(B), MESMERIZE(B);
(THAT'S RIGHT),
I WANNA SMOOTH ON YOUR NECK
IF IT'S LIKE MAJEC
(IT WILL COST ME TO ERECT!!)
KISSING THE BACK OF YOUR NECK
IN THIS I PERFECT! (RESPECT)!!!
YOUR BREAST, NOSE, AND EAR(B).
KISS AWAY, ALL YOUR FEAR(B).
O'YES, AND YOUR OTHER PART
IF I DIDN'T GO THERE, WOULD THIS DEFY THE ART???
"I WANNA PLEASE YOU BABY!
IN EVERY WAY, WHEN I AM FINISHED
YOU'LL FORGET YOUR CONTENTION THAT ALL MEN ARE CAY!

IT IS TEMPORARY INSANITY FOR A WOMAN
TO BASE HER POTENTIAL RELATIONSHIP WITH A MAN
ENTIRELY UPON HOW HE LOOK(S)
(OR WHAT YOU READ IN A BOOK)

True. Doesn't build respect and love

No one is an island (Poetic)
unto our selves).

We face such degradation in life trying to survive
and stay alive.

Even the best of us get hurt, and are tempted to quit:
Caught off guard, strong relationships, split! Husband(s)

Stop loving wives, wive(s), losing interest in husband(s).
Disparity, loneliness in all shapes, and forms!

We stop supporting each other(s) interest(s).

Before we notice it we’re no longer in love; our minds

Start to wonder like a lonely dove.

We become vicious like a mommy bear protecting
her cub(s), we all need some body.

The next thing you know people have commenced to pushing
Now here come(s) the hurtful words like, I don’t

Love you anymore, I don’t need you anymore.
The romance is gone, still no one—sad, I was

Wrong! This, kind of island, treatment must be

Stopped! Before you realize it you’re out in the street.

Only because you used words that were not smart.
So take it easy don’t say things that will destroy you.

You upset as well.

Lumpatability, this is silly, the next person is going to make

This island mentality, you have towards relationship(s)

If you were inevitable you would be content along.

Stop the drama then your relationships will last long.

The love of my life is fading away.
She's not deceased yet, I know this moment, I'm going to regret, I already miss her like never before.
We haven't had a pleasant conversation for weeks!
Her body lies so still.

The presence of life has left my room, it is too early for me to assume optimism to hold my tears back!

Her voice weakens, slowly,
She didn't recognize my presence
Just the other day,
Not, that this has to end my way!
But, I feel as if I should have something to say,

Not to mention her relatives
are getting on my nerves.
Here were they when her
voice could not be heard,
but matter is that she leaves
in peace,
I'm really trying not to
have a battle over money
with her niece.
Her family is coming from everywhere.
It's almost like I put out a fleece!
